SACRAMENTO  
MULTI-STAKE SINGLE ADULT  
COMMITTEE

September 12, 2014

Dear Richard and Jeri Clinger and Galena Street East;

It is hard to express in words how grateful we are and the positive impact you had with the performances you gave at the Sacramento Multi-Stake Single Adult Conference, September 6, 2014. Your energetic dancing and heartfelt singing provided our conference with the "icing on the cake," a spectacular show that one normally sees in places like Disney Land. It was uplifting to all who were there.

The fireside you provided for us on Sunday the 7th exemplified our theme, "Reaching Heights of Greatness." Richard and Jeri, you truly have done that with your lives, in mentoring youth through the last forty-three years. There are few people in this world who have taken the time to elevate, inspire and give positive moral direction to thousands of youth. You have taken an idea and moved upon it to create a legacy in Reaching Heights of Greatness. Your wholesome Galena Street East performers were polished, professional and spiritual in their presentation. You truly enriched our lives, giving us a greater desire to be better people.

We hope the youth in our area will have the opportunity to experience what we did. More youth need to be involved in organizations like yours, organizations that aspire toward greatness while setting wholesome standards.

Jeri, thank you for sharing yours and Richard's story of how your journey unfolded. We could see how the hand of the Lord has directed your lives. Please thank Galena Street East youth for sharing their talents, time and their love for our Savior.

Sincerely,

Jerry Anderson, event co-chair
