

Thank you for participating in the Woodstown Fall Festival Scarecrow Contest. Create your own unique family-friendly scarecrow or a scarecrow representing your organization, sport, or business. It can be wild, funny, furry, silly, or ridiculous. Use your imagination. (Details below)

Here are a few guidelines, suggestions and requirements for creating your scarecrow.

*Scarecrows must be made/secured to the provided frame

*Get creative within the idea of a "traditional scarecrow" - YOUR SCARECROW MUST CONTAIN SOME VISABLE STRAW OR HAY.

*NO additional props, cardboard or perishable items/water absorbing materials that extend beyond the frame provided

1. Use your most creative ideas within the bounds of acceptable public display (no sexuality or profanity). Remember, this is a community celebration. The goal is to generate goodwill and a festive atmosphere. Political, profane and overly graphic displays are not permitted. The festival committee will remove any scarecrow deemed offensive.
2. Secure scarecrow frames to assigned lamppost with zip ties provided by the scarecrow committee, no tape. You are responsible for getting your creation to the correct post before 5:00pm sharp on Friday, September 24. The earliest you may set up your scarecrow is the Wednesday before the festival. Judging will start at 5:00 pm on the Friday before the festival.
3. Please construct your scarecrow for durability. We do not want your hard work blowing around town or wilting after the first rain. You may want to use chicken wire, corn husks and stalks, straw, rubber foam and other lasting products that will hold their shape after repeated wind and rain. Your scarecrow will be on display from the Friday night before the festival to October 31.
4. All accessories must be securely attached to the scarecrow/post. Please make sure that accessories do not extend in such a way as to be hazardous to pedestrians or parked cars. –
5. DO NOT alter the scarecrow frame (they will be reused annually), but you may attach items to the frame as part of your creation.
6. After October 31, creators must remove their decoration and stuffing. Please leave the frame attached to the lamppost, as it will be removed and stored by members of the committee. Please do not use the town trash cans to dispose of your scarecrow materials.
7. WINNERS will be announced on the South Main St. stage at 1pm the day of the festival and via social media
