Our major fundraiser of the year is the annual auction event which will be Saturday, February 28th. Our auction committee is requesting your help to ensure its success. Please contact one of its members to offer your assistance. They need volunteers in a variety of areas. PIP hours do apply. Contact the office or one of the committee chairs.

We are also looking for interested individuals who would like to share their time and talents on our various school committees which have been established to improve and promote our school positively.

Additionally the quality of our music programs precedes us and we have been asked to perform for a short time on a Saturday afternoon after Thanksgiving prior to Christmas at Bank Court! We are considering either December 6th or 13th.
