

Paradise Moose Lodge

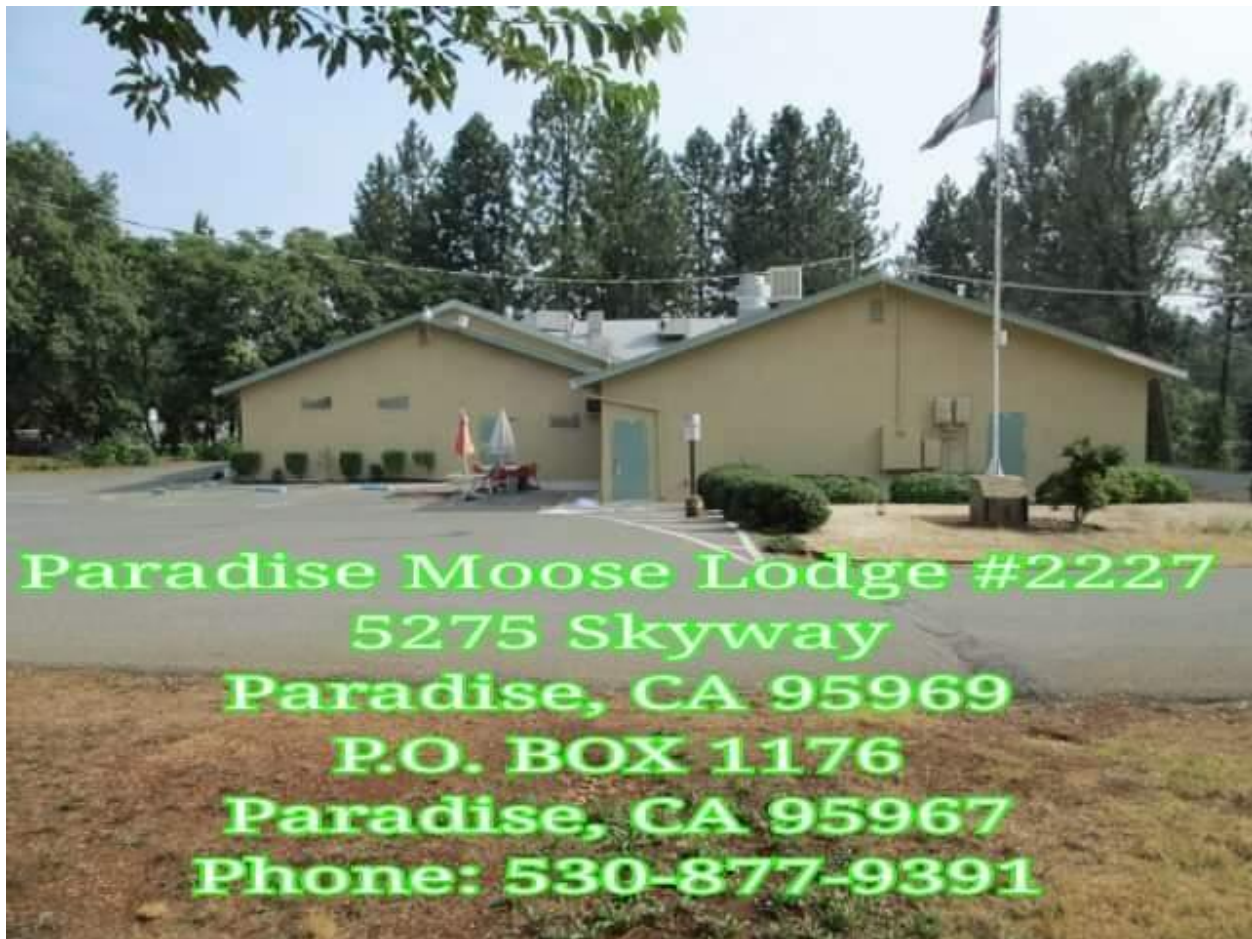

Camp Fire

Update

I am writing this letter to all Moose Members across our great country, Canada and England. **Paradise needs your help!!**

Much has happened since November 7th here in Paradise California. On November 8th a fire broke out in Pulga Gap and raced up the hill into the towns of Paradise, Concow, Magalia and Centerville and Chico California. That day this is what happened 85 of our fellow community members loss their lives, 13,696 homes were lost, 462 homes were damaged, 528 businesses were destroyed and 102 were damaged. These quiet foothill towns awoke to a new normal on November 8th.

This is what our Paradise Moose Lodge looked like on the morning of November 8th.

This is what remains of our lodge after the horrific fire passed through our sleepy quaint town.

I am writing this letter to solicit your help in rebuilding our lodge. Going to Moose Conventions has taught me one thing and that is how caring, thoughtful and giving Moose Members are! We as a lodge are strong in our commitment to rebuild. Here in Butte County we call our community strength "Butte Strong" but I feel with the help of the Moose Community that we can start a new saying "Moose Strong". All we are asking is a help up from all of our Moose Family and help in whatever way you can to recover from this tragic fire.

Lodges and Chapters across California and Nevada are putting their hard-earned efforts into helping us recover. Lodges are doing fund raisers, sending gift cards, and sending funds for us to use in our rebuilding efforts.

I know that we can count on you to step up and assist us in this time of need. If you would like to help; the address to send donations to is Paradise Moose Lodge 2227, Paradise, CA 95967.

May God bless us all!

Fraternally,

Cy Morris
