Welcome to Our 2017 Newsletter

Spring is Here Let's Stretch Banner Outside!

Outdoor stretched banners is a huge market, from Pop & Mom businesses to Fortune 500 companies your clients' image is very important and perfectly stretched banners is an important part of the message delivered to the public.

TS23 EXTRUSION

The Most Cost-effective Way to Professionally Stretch Banners

TS32 Extrusion used for interior or exterior stretched banners. The TS32 is suited for small frames (a few Sq. ft.) to large frames (Over 500 Sq. ft.)

All our aluminum and PVC extrusions are 100% recyclable.

Our entire aluminum and PVC extrusion product line is designed and manufactured in the USA.

How does it work?
