

**Agricultural Education Program Curriculum Schedule 2018-19**

Date	Ag Engineering & Fabrication - AG120	Applied Biological Systems - AG100	Veterinary Science - AG 208	Ag Business Mgmt-AG 310
8/2	Welcome/Class policies	Welcome/Class policies	Welcome/Class policies	Welcome/Standards
8/6	Intro to Agriculture	The Circles of Ag Education	Intro to Agriculture	SAE/Leadership Development - FFA
8/13	SAE/Leadership Development - FFA	The Cicles of Ag Education	SAE/Leadership Development - FFA	Scope of Ag Business/12.0 Ag Literacy
8/20	Lab Safety	Communicating Today	Safety & Sanitation	Personal Development- Goals, careers presentation
8/27	Intro to Welding	Communicating Today	Safety & Sanitation	Personal Development- Resume, GYES application
9/3	Arc Welding	SAE/Leadership Development - FFA	Veterinary Terminology	Leadership/ Teamwork
9/10	Wire Feed Welding	SAE/Leadership Development - FFA	Anatomy & Physiology	17.2 Market Plan - SWOT Analysis
9/17	Oxy-Propane Cutting	FFA Creed/Info	Anatomy & Physiology	17.2 Market Plan
9/24	Safety Tests	FFA Creed/Info	Anatomy & Physiology	11.0 Ethics
10/1	Safety Tests	The Science of Agriculture	Clinical Exams	17.3 Sales
10/8	<b>Fall Break</b>			
10/16	Welding Skill Development	SAE/AET	SAE/AET	17.9 Stock Market
10/22	Welding Skill Development	The Science of Agriculture	Clinical Exams	Commodities
10/29	Welding Skill Development	The Science of Agriculture	Clinical Exams	17.4 Financial Management
11/5	Welding Skill Development	Natural Resources	Hospital Procedures	JA Personal Finance
11/12	Welding Skill Development	Natural Resources	Hospital Procedures	17.10 Entrepreneurship (Shark Tank)
11/19	Welding Skill Development	Natural Resources	Parasitology	Ag Sales
11/26	Welding Skill Development	Plants & Animals	Parasitology	Ag Communications/Promotion
12/3	Welding Skill Development	Plants & Animals	Office Management	Ag Communications/Promotion
12/10	Project Planning	Plants & Animals	Office Management	Public Speaking
12/17	Exams	Plants & Animals	Fall Final Exam	Prof Awards/Scholarships/Nat Chapter
12/24	<b>Winter Break</b>			
1/7	SAE Development	SAE Development	FFA/SAE Applications	Proficiency Awards
1/14	Basic Drafting	Tractor Safety	Laboratory Techniques	17.6 Business Recordkeeping
1/21	Drawing Completion	Plants & Animals	Laboratory Techniques	17.12 Risk Managment
1/28	Project Construction	Plants & Animals	Laboratory Techniques	17.11 Farm Business Management
2/4	Project Construction	Poultry	Animal Nutrition	7.0 and 12.0 Ag Issues
2/11	Project Construction	Rabbits	Animal Nutrition	7.0 and 12.0 Ag Issues
2/18	Project Construction	Food Sience	Principles of Disease	7.0 and 12.0 Ag Issues
2/25	Project Construction	Food Sience	Principles of Disease	FB Discussion Meet
3/4	Project Construction	Experimental Design	FFA/SAE Applications	FB Discussion Meet
3/11	<b>Spring Break</b>			
3/18	Project Construction	Ag Science Fair	FFA/SAE Applications	17.7 Economics - Consumer Behavior and Demand
3/25	Project Construction	Ag Science Fair	Animals in Society	17.7 Producer Decision Making
4/1	Project Construction	Ag Science Fair	Animals in Society	17.7 Production Costs, Supply, and Price
4/8	Project Construction	Companion Animals	Career Exploration	Competition and the Market
4/15	Project Construction	Companion Animals	Career Exploration	Imperfect Competition and Market Reg.
4/22	Project Construction	Companion Animals	Animal Management	Macroeconomics
4/29	Projects- Due May 6	Ag Mechanics	Animal Management	JA Econ
5/6	Project Report/Shop Clean	Ag Mechanics	SAE Final report	JA Econ
5/13	Project Report/Shop Clean	Review	Review	17.5 Taxes
5/20	Spring Final Exam	Spring Final Exam	Spring Final Exam	Exams
