

THE PENTECOST CALL TO ASSEMBLY

THE RAPTURE CLUE OF THE 'MISSING FEAST'

Within the Tetrad of 2014-2015

This study will consider certain suppositions to see if the Feast of Pentecost is a better candidate than Rosh HaShanah for the Rapture to occur on. There will be an itemizing of certain points related to this assertion for better clarity as this topic can get a bit complicated. This study primarily proposes that the Tetrad is possibly containing the 'hidden clue' as to which of the 3 required Feasts of YHVH the Rapture could possibly be associated with. The LORD seemed fit to 'punctuate' the 4 total lunar eclipses of the Tetrad with the first and the last of His Feasts, in particular, the first being Passover and the last being Tabernacles but not Pentecost. Why? Based on prophetic patterns so far known about the Rapture, many have come to understand that a Pentecost Feast is a better candidate for the Rapture than Rosh HaShanah when considering the following points. The Feast of Pentecost is 1 of the 3 required Assemblies of YHVH, Rosh HaShanah is not.

The Feast of Pentecost is omitted or 'missing' from the Tetrad Feast patterns. The type of grain harvest associated with the Feast or Pentecost is barley, not wheat. The First-Fruit harvest at Pentecost is that of wheat. The type of 'trump' sounded at Pentecost is not the Shofars of Rosh HaShana. This study suggests that Pentecost is tied directly to the Tetrad phenomena in that perhaps the Tetrad of 2014-2015 time period was a key period specifically designated for putting the Church on notice that the Bride is about to be extracted from the Church,. Perhaps it is signaling a coming time of persecution. It may be allowed as much of it is in a current state of unbelief. The Church in many ways has parallel Israel as it is also in a general state of unbelief. Since Christ, at least 1 of the 4 total Blood Moons of the Tetrad patterns could have occurred on Pentecost but it is not the case. Perhaps this is a key or clue by design.

A timeline of the 7 Feasts and the 3 primary Feasts of YHVH will be mapped out. The Tetrad of 2014-2015 will be shown in light of its associated Feasts. The type of fruit/grain harvests will also be mapped out that correspond to the Feasts. The reason this study is titled 'The Pentecost Call to Assembly' is that the Disciples were called to assemble in the Upper Room on Pentecost in Acts 2. There appears to be a parallel in the book of Revelation. After the LORD Jesus Christ evaluates the health condition of His Church, as the Great Physician, the Apostle John, as a representative of the Bride is summands to the Throne Room wherein we are shown the 24 Elders that are in 'Assembly'...in the House of the LORD and when the Court is begun its session of judgment. The judgment of whom? Lucifer by way of the breaking of the Seals. The imagery is striking.

When will the Rapture take place?

There is no clear association to this scenario as being associated with Pentecost but the LORD does identify His position within the 'Menorah' of the Churches of Asia, as being in the 'midst' or the middle; that of the 4th Center Servant Stem. Using deductive logic, it can be then asserted that the LORD's position at the time of the calling of the Apostle John as the 'Church' representative to assemble and gather at His Throne Room is directly then associated to the 4th Stem of the Menorah, that is to say Pentecost. This typology is consistent with Pentecost being the 2nd of the 3 required assemblies or gathering Feasts of YHVH, and thus in the middle. Thus this study strongly suggests that the Rapture or the call to 'Come Up' would not be attributed to any of the Tetrad's 4 Total lunar Blood Moon Eclipses that mark off the LORD's First and Last of the required feasts solely based on this prophetic pattern that is implied.

This is to say that perhaps the Rapture takes place on Pentecost in the 'midst' of Passover and Sukkot. It is a high watch Rapture Zone for sure. But again, this study only is postulating that if the Rapture were to occur on a LORD's Feast, it could most likely be associated with Pentecost and not Rosh HaShanah. This study strongly suggests that the LORD's return will be on Rosh HaShanah that will then complete within days the rest of the Feasts of Yom Kippur and Tabernacles. This will mirror the Passion Week of the first 3 Holy Feast starting with Passover in the Spring when Jesus fulfilled such prophetic events with a week's time.

The Rapture of the Church will be a special day no doubt as the LORD does 'punctuate' His appointments. This is especially true in the pattern and type of fulfilling the 7 Major Feasts of Israel. These Feasts or *Moedim* echo the Plan of Redemption purposed in Christ Jesus. Each Feast is a stage in the overall will and plan of YHVH. As many excellent studies have pointed out, the Rapture does not have to fall on any particular Jewish or Feast of the LORD at all. The Rapture does not even have to occur on Pentecost at all, nor during a Blood Moon for that matter. The point is that Pentecost has been a continual outpouring of the Holy Spirit and it is to be consummated by its corresponding harvest.

The Pentecost harvest is actualized or ends on the 1st day of the civil New Year, that is Tishri 1, the Feast of Trumpets. However the required 2nd assembly or gathering of the LORD's People on Pentecost is the only one of the 7 main High Holy Feasts of YHVH that distinctly has a Gentile attribute associated with it. In the Old Testament, Gentiles since the time of Exodus were actually also required to observe the Feasts of YHVH. It had always been in GOD's heart to save the whole world, not just the Jewish nation. It was because of the direct rejection of Christ by the nation of Israel, as a whole that this facilitated the objective. There are many excellent studies that show this notion.

Why is Pentecost Missing in the Tetrads?

Thus Pentecost specifically is thus associated with a Gentile element that was to be included in the 'harvest' of the LORD at some point in time in the future. In fact it was for this very reason that the Apostle Paul got stoned during one of his Asian missionary trips for declaring this truth to the Jews. The Jews became jealous that YHVH would have also included and incorporated the Gentiles into His redemptive and rewards plan. Furthermore, in Acts 2 the prophecy of Joel 2, alluded to by the Apostle Peter was fulfilled on Pentecost. The giving of the Holy Spirit that descended on the 120 Believers gathered in the Upper Room was given to Christ's Witnesses as it will be given to the 144,000 to be anointed to witness in the Tribulation.

1- Ruth, as a picture of the Gentile Bride married Boaz the Kinsmen Redeemer on Pentecost.

2- Enoch was raptured on Pentecost.

3- Moses on behalf of Israel ratified the Marriage Covenant with the LORD as the Law was implemented on Mt. Sinai on Pentecost with the Silver Trumpet blasts etc.

4- Even King David proposed to have died at Pentecost

The Disciples witnessed to Israel during this Pentecost in people's native languages that were understood without interpretation. These languages were not 'Angelic' ones. The 3000 that were saved that day was a foreshadowing of the nature of the dispensation to come, namely the Church Age that was to incorporate Jews and non-Jews into the Plan of Salvation. This number is also prophetically significant in that it was the number of people that perished at Mt. Sinai for the insurrection against Moses and the LORD. Thus the Pentecost of Acts 2 was a sort of 'first-fruits' of the 'wheat'; a much broader 'harvest' to come that incorporated Gentiles.

This in-grafting is thus accompanied by a beginning and end of celestial Signs in the Sun, Moon and the Stars to accompany it. At Pentecost, 2 loaves of risen bread with yeast were to be waved by the High Priest that was brought inside the Temple before the LORD. Leaven or yeast always represents 'sin' in a Believer of Christ. Thus it is a fitting picture that although the Body of Christ is currently made up of the Jew and Gentile, in sin but the High Priest atones. It is Jesus that atones for them both before the Father because of the covering of the High Priest's own blood, not the blood of bulls and goats, but the very life and breath of the Creator Himself.

Perhaps the Age of Pisces or that of the Church Age is coming to a close and the Tetrad sequence since 1949 was the Sign. Such solar and lunar eclipses are keeping prophetic time nonetheless and could be signaling and leading up to when the Rapture will be and the 3rd Temple will be built. It could thus be consisting of perhaps a time that it is to be between a solar and lunar eclipse? As mentioned before, so far this past decade only 2011, 2012, and 2013 match this astronomical composition of Pentecost being in the 'midst' of a solar and lunar eclipse.

Could this be possibility a prophetic countdown of sorts based on the sound of the trumpet that is to be blasted? There has been fascinating studies on what the 'Trump of God' and the 'Last Trumpet' means or signifies. There is some confusion as to the words when they are translated into English. The connotations are not easily distinguishable in type; which could make all the difference and perhaps could result in less confusion and argument. For the purpose of this study, it will be very simplistic in its association to the comparison of the Feasts in question.

1. **Shofar:** *used by the Jewish nation to assemble, call to war, alert etc., Rosh HaShanah – Shofar*

2. **Silver Trumpet:** *primarily used in association with the Temple worship -Pentecost – Silver Trumpet*

There are those Believers that adamantly hold that the Rapture will occur on the 'Last Trump' of the LORD. This is Scripturally correct. In this case, it would seem logical to then the Rapture would be associated with Rosh HaShanah. This Feast in the Fall, around September in most cases, is decorated with a 100 Trumpet blast sequence, but it's of a Shofar, not the Silver Trumpets. More so, Rosh HaShanah is associated with the wheat harvest and it is not one of the main 3 required assemblies of the LORD, although there are extremely well thought-out arguments for the Rapture to take place during this time. Thus this study suggests that the Rapture could be a viable candidate to occur on Pentecost.

The only link to Rosh HaShanah exists because the harvest ends at that time. Notwithstanding, the issue of the timing of the Rapture has more complex and in-depth rationales to it. Pentecost was associated with the blowing of the Trumpets as in Silver Trumpets or Divine Trumpets at Mt. Sinai when the Assembly, the Church in the Wilderness as the Apostle Paul called the gathering that met on the Mountain. There was a rushing of wind, thunder, flashes, and the sound of trumpets as the Marriage Covenant was presented and initiated by way of Moses. This echoes the same manifestation at Pentecost of Acts 2. In this case, it was the betrothal of a fusion of the Jewish and Gentile Bride for Christ to be harvested at the Rapture at some point in time. These were the 120 Disciples that were the 'First Fruits' to the entire harvest of souls to come.

To reiterate, YHVH's People were to congregate or assemble in Jerusalem 3 times a year. These 3 assemblies were Passover, Pentecost and Tabernacles. These LORD's assemblies, or *Moedims* were associated with a type of Harvest. Each type overlaps the subsequent one as the end of one type of Grain/Fruit harvest is the beginning of the next type of Harvest. In the Bible, Scripture likens Believers in Christ as a type of harvest in a collective sense and specifically a type of grain. Each type of grain has its characteristics and harvesting means. Each has a process to go through and order. The Scripture likewise prescribes an order of spiritual harvesting as it directly relates to the order of Resurrections and Raptures. The following are the types of seed and harvesting related to their prophetic significance.

-Passover = Barley-First Fruits at the beginning of Spring, Harvest gathered at Pentecost

-Pentecost = Barley Harvest gathered, First Fruits of Wheat Harvest at beginning of Summer

-Tabernacles = Wheat Harvest gathered, Beginning of Fall Grape Harvest

The key to producing fruit is to remain in Him, in Jesus. As Christ admonishes His Church, that it is He that is the True Menorah, He is the True Vine, and the Church comprise the Branches; apart from Him she has no life in herself. May she hold fast on to Him, nourished by His Holy Spirit as she dig into His Word waiting to hear His call to assemble at the end of the harvest that will be the Rapture.

1. WINNOWING OF THE BARLEY (PASSOVER)

This type of grain is thrown in air to separate it from its chaff. This is a 'picture' of Rapture; of Believers in Christ throwing off the Old Sin Nature along with the physical body. In the air they are transformed and given a Spiritual body as they meet Jesus. The Barley Harvest is in-gathered by Pentecost. Because Christ was the 'First-Fruit' from among the 'Dead', in Romans it declares that His Disciples likewise will follow in this same type of First Fruits but not necessarily the same type of grain. This cannot be said of Rosh HaShanah. The in-gathering or assembly of the Barley Harvest is taken into the barns around Pentecost.

2. THRESHING OF THE WHEAT (PENTECOST)

This type of grain is beaten loose on a 'Tribulum' because it is a lot harder before it is to be winnowed. This is a 'picture' of Church Age Saints, Martyrs and persecuted over the centuries to be purified before being raptured up. At the end of the Barley Harvest on Pentecost, the First Fruits of the Wheat Harvest are presented and taken into the Temple. If there is any indication that Rosh HaShanah could correlated to the Rapture it is not because of the Feast itself but that it is the culminating of the Wheat Harvest as a whole.

3. PRESSING OF THE GRAPES (TABERNACLES)

This type of fruit, grapes in this case are crushed to extract its juice. It is a picture of judgment. It will be associated with the judgment of the nations, the AntiChrist, and the False Prophet during the time of the Tribulation in specific reference to the Battle of Armageddon where blood will flow like rivers in Israel. This is why we see Christ at His 2nd Coming and His robes are dipped in blood because of the battle He will wage at His return. This is the 'Vengeance of our God' that He did not read at the Synagogue reading during Jesus' start of ministry. This also coincided with the fulfillment of the Jubilee He proclaimed was then fulfilled.

Ready for the Call

It was Jesus at the Garden of Gethsemane that was crushed for the sin incurred by Humanity. He was bruised by the sin of Adam's race. The 2nd Adam, Jesus took the full brunt of the fury and wrath of YHVH for the judgment of sin on Humanity's behalf. He said that He was poured out like water on the cross...Such was the physical anguish and price to pay for the reconciliation of Humanity with the Father. Gethsemane means 'pressed out'. So based on the information considered, the Rapture of the Church on a Pentecost season would be a better candidate than that of Rosh HaShanah. This is based on the prophetic patterns of the Tetrads and the distinction of the types of First Fruits and harvest times that can be prophetically paralleled to the timing of the possible Rapture sequence.

Primarily this stipulation is based on the Tetrad Feast pattern of having the Passover as the beginning and Tabernacles as the end, Pentecost as the logical 2nd in the series of the LORD's required 3 assemblies is absent. This is based on the assertion that perhaps, as the Tetrad series ends, it is said to reflect a time period where the LORD will deal specifically with the nation of Israel after the Rapture. If it were to occur on a Feast or *Moedim* day, it could be at the Feast of Pentecost at some time, some year perhaps.

To reiterate, leading up to the Tetrad of 2014 for the past decade, only in 2011, 2012 and 2013 did Pentecost exactly occur in-between 2 eclipses. Of course, the Rapture could occur at any time or on a totally different Feast date that is not expected altogether. Regardless, one needs to be objective and mindful, ever watching and faithful to the LORD's discernment. Jesus instructed His Bride to watch and not fall asleep as the Disciples did at the Garden. As the Feasts of YHVH come and go and the Bride is still here her vigilance is kept based on a mediation of His Word. It is because it is only there and then that the Holy Spirit speaks and the Church can hear His calling. This study of the season of a possible harvest type of in-gathering and the possibility of the Rapture being associated with it brings to mind a verse that could lend some encouragement to the Body of Christ.

*Who may ascend the Mountain of the Lord? Who may stand in His holy place? The one who has **clean hands** and a **pure heart**, who does not trust in an idol or swear by a false god. -Psalm 24:3-4.*

The Church needs to be reminded that as it approaches the timing of the call, the Rapture –even if it is not on a Pentecost, it is at least that much closer even so. The Church needs to confess sins faithfully; realizing that, naturally there dwells no good thing and that Disciples of Jesus are sinners saved by grace. In this ever decaying society and world, it is becoming more difficult to keep one's hands clean and hearts pure. May the deeds and actions done by one's hands, thoughts and words that come out of the heart be surrendered in prayer. Jesus is not calling the 'qualified' but qualifies the called. It is the LORD that has qualified His Bride to receive such a gift of the Rapture, whenever it shall come so that she may go.
