“Chuck” is a caring, compassionate, detail-oriented pastor. Gifted in leadership, teamwork, administration, preaching, outreach to seniors, youth and community. A dedicated servant of the Lord to strengthen the body of Christ - in Spirit and Knowledge.

Charles was raised in “Church” and his grandparents were important in following Christ at the age of 9 yrs old. He loves the traditional music and a conservative believer in the Southern Baptist teaching and message.

Wants the Church to continue to grow and use the “gifts” God has given all of us. Age is not a reason to back out of missionary work and effectiveness. The Church should be a LIGHT for the world.
