This is only a partial list of what is available. Please excuse the lack of complete manufacturer's info on some items. Poor training of the troops by me and we were in a hurry. All items are currently in a storage unit on the Westside and funds received are badly needed to pay for the care of the ham in a care facility.

I can accept cash or checks. Please email, text or call me at kd0kql@hotmail.com or 719.332.5283 for coordinating payment and pickup/delivery options. For pricing, please do what I would do, look it up and we can decide what a fair price is. There were just too many items for me to research each one. This list is just a drop in the bucket of the total. If you want a specific item that we may have, contact me as above.

ONLY HAVE A MONTH TO DISPOSE OF IT ALL.
