

Do you know of any children's publishers who use photography in picture books?

Q: Do you know of any children's publishers who use photography in "picture" books?

One book from a single-book publisher that has done extremely well with a fictional story and photographs is entitled, *Stranger in the Woods*. You may want to look at that book for ideas. You can check the web at <http://www.strangerinthewoods.com>. 9-10:02
