DECEMBER 2018 VOLUME 62 ISSUE 4

Presidents Message: Hello Houghs Neck and beyond. The days have been cool but living in Houghs Neck for 48 years I have felt much colder Novembers... well maybe not as cold as Thanksgiving morning. Outside of the Neck but still inside our great city was the Veterans Day Parade. It is considered the state's best show of respect and honor for those who served. The Turkey day game was a winning day for North Quincy High beating Quincy High 33-8. My daughters attended the game in sub zero weather to show their school spirit. The Christmas parade was a great event. My family has been watching the parade from the corner of Hancock St. and Bass St in Wollaston for as long as I can remember. Election Day was also in November. Reelected to office was Elizabeth Warren to US senator. Stephen Lynch was reelected to Congress; John Keenan was reelected to State Senate; Tacky Chan was reelected as State Representative. The Tree lighting was a great time to sing and celebrate the season with family, friends & neighbors. Santa brought treats for the children and the Congregational Church hosted snacks and refreshments. There are many activities to do in the Neck. Start with Cynthia's page in the bulletin. She has activities for age's 1-14 y/o. Then you have the HNCC events that are published in the Bulletin. If you ever recycle the Bulletin before the month is over you can find the online version at www.HoughsNeck.org

HOUGHS NECK WORLD WAR II HONOR ROLL

We have featured the above photo in the November 2015 issue of the Houghs Neck Bulletin. The honor roll was not complete at the dedication, There are a number servicemen not listed because the war was still going on at the time of the dedication. The honor roll was replaced in 1951 with a permanent War Memorial made of Quincy Granite, it was placed in front of the Atherton Hough School. This coming spring the Houghs Neck Garden Club will be renovating the memorial site and the 500+ names will be engraved on bricks as a walkway around the present memorial. A grant from the Community Preservation Fund is helping to pay for the landscaping and bricks. See page 5 for a complete list of the names listed on the original Honor Roll - if you know of a WWII veteran from Houghs Neck that is not on the list please contact the Garden Club President Patti Williams, or any of the club members. The garden club was honored this year during the Annual Good Neighbor Banquet for their dedication to the community and for making Houghs Neck a Beautiful Community. A main emphasis of the HNGC continues to be community beautification which can be seen throughout Houghs Neck. Sites they have improved include, Houghs Neck Community Center, Veteran's Memorial at Brill Field, Leo Kelly Park, Butterfly Garden at the playground at Brill Field, the Welcome Rock and traffic island at Sea and Wall streets.

REMEMBER WHEN

From the December 1968 issue of the HN Bulletin

“FRANKLY SPEAKING

These are excerpts from a letter written by “THE BULLETIN’s” first Junior Editor, now Pvt. Francis X. Moran (perhaps as long as some of his columns:

“My family sent me the Nov. ‘68 edition of “THE BULLETIN” which needless to say, I greeted with great joy. “THE BULLETIN” is never really appreciated, like so many things, until we are far from home. It brings a warmth and a glow for which I am deeply grateful.

I read with particular interest this month about the SGT. LAWRENCE GRENHAM YOUTH CENTER. I visited the club a couple of times on my last leave at home and I am sure, knowing him as I did, that Larry would be proud to have this club named after him. I recall visiting the old Davis White Front Bakery with Fr. Boyle, the CYO Director, when he was selecting sites for a Youth Club. I am amazed at all the work the young people have put in to fix the place up. It is a living proof of their desire to work for their pleasures and to have a place where they can go, free from troubles and difficulty that can so often arise even when they are just “hangin’ around” on the corner.

Fr. Boyle’s concern for and interest in these youngsters and their needs has been an inspiration to me. He worked untiringly, along with Rev. and Mrs. Corea, the City Government, the Community Council and many other groups that were interested in helping Houghs Neck teens grow up healthy and with the proper attitude toward life. I have also seen how unselfishly David McMillan, Ted Johnson, Ed Kelly, George Moody, John McNally and the other American Legionnaires have worked to provide healthy recreation for the kids. All of these people, like so many members of the Community Council, deserve rich praise and the way the youngsters have been sparked by the example of these (outstanding adults can’t be matched anywhere in Quincy or anywhere else that I know of. I sincerely hope that other parents and adults will join in with Fr. Boyle and his fine companions in making the Sgt. Lawrence Grenham Youth Center a great Success and an outstanding example to the rest of the city of what a good community can do to provide for its young people.”

“Hi to everyone and God Bless:
Houghs Neck Texan, Frank Moran
The Sgt Lawrence Grenham Died March 17th 1968 while serving in Vietnam, The Youth Center started on Sea Street near Macy St. then moved to the downstairs of DiMazio’s Skating Rink served many teens during the time it was open. It was a safe place for teens to hang out, play games and stay out of trouble. The Playground and Park on Macy Street will be re-dedicated to Sgt. Lawrence Grenham this spring.

Happy Holiday's to all. As December falls upon us, let's reflect for a moment on 2018 and what we as a community have accomplished. One major thing about Ward 1 and Houghs Neck is the resiliency of the families in our neighborhoods. They bond together and work through things that are at times unrealistic. They always are positive and bring whatever is needed to the table during each year to strengthen as a community. I am very proud to represent Houghs Neck. Thank you for allowing me to serve.

A couple of events started us off on the right foot:

The Houghs Neck Congregational Church Holiday Fair was a great event as usual bringing in hundreds of folks purchasing local holiday gifts. This happens the first weekend of November and is a great way to get going in the holiday direction. Each year it brings in the first true signs of the Christmas Season and just catapults the community into the next two months of festive ongoings

Following right along in the holiday spirit was the Fair for All Seasons at Holy Trinity Parish, November 17th. This was a very well attended event at Thomas Aquinas Hall that had a little of everything. Quilts, ornaments, raffles of all sizes were available. I think Fr. Martin and committee did very well that day. God Bless.

Thanksgiving Day was mighty cold but the annual Quincy -North Turkey Game went off as usual. Quincy was off a bit this year losing

Finally a few items to have at the ready. Realizing we have had an immense amount of rainfall, I believe the below reminders are good to have somewhere handy for emergencies. Not to get ahead of ourselves but:

Important Snow Ops Information (All on-line on the Quincy City Website) snowhotline@quincyma.gov

Please identify your specific issue or concern in the email and we'll respond as soon as possible. Some of the common concerns are identified below: (617-376-1927)

- Road not plowed
- Road not pushed back to curb
- Road needs to be salted
- Vehicles parked illegally or on wrong side of street
- Vehicles impeding Snow Removal

We strive to clear all roads within 2 to 3 hours after the snowfall ends. Please include your name, address, and telephone number if possible. Your request is important to us and we will make every effort to resolve it in a timely manner.

If your issue is not resolved within 3 hours please contact the Snow Operations Center directly at (617) 376-1927.

For all Water/Sewer/Drain issues, with the exception of billing, please call the 24-Hour Emergency number. (617) 376-1910

All residents and real estate agents whom need to schedule a final water read, please call the billing department. (617) 376-1918

The City of Quincy's Water, Sewer and Drain Division and the Billing Office are funded by an Enterprise Account. All of the costs associated with operations are paid by Water and Sewer ratepayers.

The Water, Sewer and Drain Division are responsible for water distribution, sewer and drain line management to the commercial and residential communities of the City. Operations are conducted 24 hours a day, 7 days a week with a workforce that consists of highly skilled, experienced, trained, certified and licensed personnel.

The Water Distribution team provides clean, safe, quality drinking water for the daily essential needs of our residential and commercial customers, in conformity with stringent State and Federal distribution guidelines such as the Safe Drinking Water Act.

The Water, Sewer and Drain Division operations support Clean Water across the City in our Rivers, Ponds, Brooks and Bays. They do this through the maintenance of 205 miles of sanitary sewers mains and 3000+ manholes and 150 miles of drain pipes and 9,329 catch basins and other drain assets. In addition to ensuring clean water for all, their hard work results in efficient and consistent sewer service and effective flood prevention.

The Water and Sewer Billing Office is responsible for auditing and issuing bills to water service customers and is available to answer customer concerns regarding billing and usage issues. Additionally, the Billing Office monitors a remote metering system for our water customers which allows the office to monitor consumption levels across the City and improve billing accuracy.

Merry Christmas and Happy Holiday's God Bless

Dave McCarthy Ward 1 Councillor

*My Dear Houghs Neck Neighbors,
