

# Statement *peace* admire it. wear it.

From the seed that first lays  
it's roots in the ground and  
sprouts to see the sun for  
the first time, each tree has  
a journey that begins.

*Each tree has a past, a  
present, and a future.*

This is the epicenter for my  
art and where it begins. It  
begins when I get my hands on  
the wood and see the depths  
of the grain and the  
uniqueness of each piece.

I take my passion, my  
ferocity, and whimsical  
nature to create a piece that  
truly embodies my spirit.

*Nothing satisfies my  
creative soul more than  
my work finding a  
new owner to take my  
art on it's new  
journey of life.*

To inspire a person to wear  
something that is unique,  
exciting and what is a  
Statement Peace.

## *pieces of peace:*

We source wood from various places in the United States giving each piece a unique one of a kind look. We use natural materials such as cork, mother of pearl and abalone.

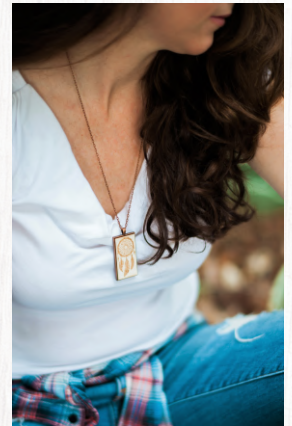

## *packaging:*

At Statement peace, our brand motto is “admire it, wear it”. We treat our jewelry like pieces of art. Therefore, each piece of peace comes with its very own wooden display that the buyer receives with their purchase. This allows the sentiment to remain.

## *jewelry for all:*

Our pieces of peace are designed to be worn by one and all. Everyone deserves a little peace.

## *merchandising:*

We provide our retailers with an “About the Artist” retail display which houses our branded envelopes and jewelry boxes. Simply assemble the retail display and arrange your pieces of peace collection. Voila!
