

Free Tax Notice Correspondence Review

If you receive a notice in the mail from the IRS or Franchise Tax Board bring it in to us and we will review it for FREE+.

Do not be bullied into paying any tax agency just because they send you a letter saying you may owe additional tax. We know that these agencies can be intimidating and use language that is not easy to grasp. Downey Tax Company is on your side. Let us take a look at any notice you receive in the mail from the IRS or Franchise Tax Board. We will help you understand what exactly is going on and what your options are.

+Please provide us with actual and full copies of all notices received along with the tax return of the year the notice is referring to. The free review includes an evaluation of the notice and tax report, and a detailed description of what the issue(s) is/are. Any work that may need to be done to resolve the issue, including but not limited to agency phone calls, will be done for a fee.
