

Nephrology & Hypertension Associates of Alaska, PC

David M. Lefler, Jr., DO, FACP, FASN

American Board of Internal Medicine- certified Internal Medicine & Nephrology

Thank you for choosing Nephrology & Hypertension Associates of Alaska. We strive to offer you the best medical care and look forward to meeting you soon. We have included several forms that need to be completed prior to your initial appointment.

- New Patient Registration
- Health History Form
- Acknowledgement of Receipt of Privacy Practices
- Authorization to Release Healthcare Information
- Missed/ Cancelled Appointment Policy
- Financial Policy

Please fill them out, and bring them **as well as your driver's license (or ID) and insurance card** to your scheduled appointment.

Additionally, we would like to review your medications with you. Please bring all medications, including over the counter products (pain relievers, vitamins, herbal supplements, etc.), with you to your appointment.

Your initial consultation will take approximately 60 minutes. Please arrive 15 minutes prior to your scheduled appointment time so we can review your medications prior to your appointment.

Thank you again for choosing our office.
