

501-7

The flexible little work station at the best price

501-7 with beech tabletop 117H. See also pages 27-31.

Flexibility, function and the absolute lowest price in the industry define the 501-7. It is perfect for arranging in groups, great for corner applications or as a stand-alone desk. It can easily be moved about with the two locking casters that come standard with the desk. Max. working load is 110 lbs.

See specifications on pages 28-31.

Frame	Item no.	Color	Width	Price
