DELEGATION: PUTTING PEOPLE IN THE RIGHT POSITION: We encourage all ministry leaders and anyone new to leadership to join us. Using insights from the book, "Heart of a Leader," ministry experience and based on scriptural training, this class will be interactive and involve Q & A time.

A TIME FOR PRAYER: When the Lord calls us to Arise and Go, we must go with the Holy Spirit's leading, because he helps us to fight the worries, fears and anxiety with the promises of God. This workshop will provide keys and resources when facing defeat and discouragement on life's journey, because the calling "Arise and Go" comes with challenges that only with God's help can you survive. When God calls us to Arise and Go we must be willing to speak boldly about what we see!

A PEBBLE IN MY SHOE: We know the pain there is when we step on a small stone or toy while barefoot. This book used the irritating pebble in the shoe to represent issues in our lives that cripple us and perhaps prevent us from doing what we may really want to do or prevent us from doing what God wants us to do. What is YOUR pebble? Let's look at how we can get that pesky pebble out of your life!

WHY NOT ME (TEENS ONLY): In a world full of problems and a culture that says, “What about me?”, we want to challenge you to say, “Why not me?” God made you with gifts and talents to be a problem-solver. No matter your age, you are called to fulfill God’s purpose and He will qualify you if you step out for His glory. Come hear how one young lady is using her talents to run a business with a mission to fight human trafficking and be encouraged that you are also capable to do something great for God.

CONNECTING WITH GOD THROUGH THE ARTS: Have you ever wondered why you are drawn to writing, poetry, drama, painting, taking pictures, etc. The way you are wired connects you with God. The way you are wired draws you closer to God. Through this session we are going to go deeper into looking at how we can unlock those ways that we find God through the arts.

IT DOESN’T HAVE TO BE THAT WAY – SIMPLY CHOOSE TO FORGIVE: Choosing to forgive is one of the most important things a person can do for their own health and happiness, as well as for that of the folks around them. In this workshop, ways in which choosing to forgive can bring blessings to the one who DOES the forgiving will be discussed, as well as how to do it most effectively.
