

## National Registry Welcome Letter

Sh'NAH AH KAH! Welcome and blessed return! May our Ancestors shine upon you and your family for choosing to embrace your Native American Aboriginal heritage. The journey has been difficult for many of us living unrecognized in our own Motherland. Being denied the existence of our Ethnic Identity is a gross violation of our basic human right to self-identify. We at Coosa Nation of North America (USA) are here to remedy our situation as our national transition team is prepared to assist our people in their Right of Return.

Enclosed in this packet are the **National Registry Form-1**, directions, and checklist for quick processing and successful completion. We are members of the same family tree. There are **no membership fees or dues** associated with our registration process. Once the form is completed and processed, you will be issued a Coosa ID (cost \$10) and an Official Certificate of Registry.

Choosing the path of the Right of Return can be emotional as well as life-changing. However, our national transition team is ready to walk beside you and your family. We look forward to working with you and your family as sisters and brothers to grow a prosperous Native American Aboriginal Village.

Peace, Love, and Light

*Chief Blue Feather*
