Cancellation Policy

Scheduling and keeping your therapy appointments is crucial to the recovery process. Your appointments will be scheduled according to your therapy needs. If you are unable to keep an appointment, 24 hours advanced notice by phone is required. We will do our best to reschedule for the same week, however we cannot guarantee another appointment will be available.

If the appointment is unable to be rescheduled, cancellations made less than 24 hours before an appointment, as well as no call, no shows, will result in a **$75 fee not covered by insurance.**

As keeping your therapy appointments is crucial to your recovery, if you continue to miss your appointments it will be at the therapist's discretion as to whether to discharge your plan of care.

Late Policy

We respect our patient's time by running as close to schedule as possible. If you are going to be late, please give us as much notice as possible by phone. Please be aware that being late may result in the therapist having to adjust your treatment time. In the event of that you will be significantly late, we will do our best to accommodate your treatment as our fluctuating schedule allows. However, we cannot make any promises that you will be seen for your appointment at its scheduled time slot if you are significantly late. If you decide to forgo your appointment, the $75 cancellation fee will apply.

Child Policy

We are a family friendly office that welcomes you and your children. We care very much about your treatment and want to be able to facilitate your therapy needs as much as possible. We have a wide selection of toys and activities for all ages in the waiting area. Children are welcome in the gym as well when supervised by a parent. However, the therapist and aides are here to facilitate your treatment and cannot be responsible for supervising your children. If the office is busy, we may ask that you continue your treatment in one of the private treatment rooms to ensure a positive experience and safety for everyone.
