Other Notable Achievements

EAGLES

1/8/22- **Brian Wohlford on Hole #10**- Brian drove the green from the blue tees on Hole #10 and drained a lengthy putt for the first eagle of the year and blah blah blah because...

4/23/22- **Brian Wohlford on Hole #5**- Yeah, Brian eagled Hole #5! Not only did he eagle Hole #5, he put a 9 iron through a gap in the trees, landed the green, and spun it back 25 feet to drop into the cup! Just an incredible shot and well done!

8/27/22- **James Pedersen on Hole #1**- James joined our club this year and got noticed because not only did he drive the green on Hole #1, he was two feet away from an albatross! As it is, he had a nice tap-in eagle. Not too many people can say that!

Most Improved Player (from 11/6/21 to 11/6/22):

Mike Carruth was the most improved player (based on a USGA metric). He lowered his handicap from a 10.6 down to 7.0 (a 4 at Indian Creek). Honorable mentions to **Harold Carruthers, Paul Emery, and Dave Westerman.**
