

**2023 Fair—Barn in the USA!**

A big SHOUT out to the SE Spokane County Fair Association for making the 2023 fair so successful. With all of the new additions and events added this year, it truly seemed like one of the best ones yet. The truck pulls on Friday night and the family dance on Saturday night were a huge hit! The Soapbox Derby, Cornhole Tournament, vendors, exhibit entries and so many others had a great turnout, too.

*Thank you to the volunteers. Your willingness to give your time and service is greatly appreciated. This community is so fortunate to have such an incredible group of individuals. We already can't wait for 2024!*

**Pack Your Water Meters**

Weather permitting, October 25th will be the last time the outside water meters will be read by Public Works until spring. After this date, please be sure to pack your meters. Tightly sealed packing peanuts in a garbage bag are the most effective.

If you would like Public Works to pack your meter, please call Town Hall ASAP. There is a \$25 charge to use our packing materials (you keep for next year), \$10 if you provide your own.

**Spokane County Library—Fairfield Branch**
