

Economic concept

Every business is a CRON. Every Adult is on wmw.

C. G. Economic Concepts endeavor to turn people from being elitist, polluting, selfish, predatory, profiteering, parasites (**capitalists**) or incompetent polluting technocrats (**communists**) a threat to other people and 'Planet Earth'. Into a 'Custodian' of the creations of **1 God** and social justice practitioners! For the Glory of **1 God** and the Good of **Humankind**.

C. G. Economic concept 1

CRON (Community Run Owned not for profit) replace capitalism (corrupt, greedy, profiteering, private owner parasites), communism (corrupt incompetent technocrats) and hybrids (corrupt, half parasite half incompetent). Private ownership entity is confiscated without compensation and is converted to operate as a '**CRON**' with a '**DmC**'. State owned entity is converted to operate as a '**CRON**' with a '**DmC**'. Government agencies operate like '**CRON**' with a '**DmC**'.

'Shire' and Gatherings set up '**CRON**'.

'**C**' community is a 'Shire'

'**R**' run by '**DmC**' (Decision making Committee of 7)

'**O**' owned by its workers paid **wmw**+ unpaid volunteers

'**n**' not for profit

CRON is managed. Single leadership is tyranny. Leadership by committee is fair. **CRON** are governed by a committee (**DmC**) of 7.

DmC (Decision making Committee elected for 1 year) consists of, 7 members: Coordinator, Treasurer, Go for, 4 Trustee. A CRON DmC uses, **bpi** (business performance Indicators), **Jic** (Just in case), **Es** Economies of scale). **CRON DmC** use business performance Indicators, feedback from all stake holder for decision making. (see Shire)

End private parasitic predatory profiteers! End state owned incompetent technocrats! Embrace 'Community Run Owned not for profit', managed by a 'Decision making Committee of 7!'

C. G. Economic concept 2

All land and dwellings are local community (Shire) owned. Freehold land is transferred without compensation to the Shire. Occupier can stay in house until they want to move or die. Then Shire takes control without compensation (there is no estate for property). Provincial Government, CRON and families lease from the Shire. Everyone is a tenant. Shire provides Cluster housing, Work chapel **CRBC** !

Freehold land is private ownership land. Depriving community use of land for benefit of all. Freehold (No Trespass) denies usage of all beaches, of lake & river frontages, denies picnicking on golf course's.. **1 God** created Planet Earth to be used, enjoyed equally by all people. Freehold land, privately owned dwellings are insulting to **1 God**.

Freehold land is used by investors to speculate (gamble), hoping to drive up property prices (profiteering, capital gain) denying a community affordable shelter. Investors also use freehold land for criminal tax avoidance (negative gearing)!

Private landlords are main cause of homeless in the community. Any community that has homeless is a failure. This community has no right to survive (exist).

Some investors erect flimsy buildings and charge over priced rent. People who can't pay become homeless. Investment Property is not really bought for rental income but used as tax evasion. Result decaying buildings. The emergence of slums unsuitable for human habitation (insects, rodents love slums). Hold Private Landlords, Freehold Speculators accountable, **MS R6**

C. G. Economic concept 3

Every adult has a duty to live a useful life and a right to rewarded work. Rewarded work entails getting a wage and conditions. For best economic management everyone's a wage earner.

For economic management, wages, conditions (wmw) are set by Provincial Government. **wmw** are set annually. **wmw** may stay the same, or go up, or go down as economic conditions require. Private ownership, State ownership are abolished, replaced by CRON. Unions

are deregistered. Government sets wages, conditions..

Pay is based on a '**wmw**' (weekly minimum wage) and a multiplier.
There are 7 pay grades. Pay scale starts with a **wmw x1** (minimum) to **wmw x7** (maximum) reward range:

wmw x1 unskilled, apprentice ~ **wmw x5** Leader ~
wmw x2 skilled, Tradesman ~ **wmw x6** Manager ~
wmw x3 Senior Tradesman ~ **wmw x7** Administrator
wmw x4 Supervisor ~

Conditions for all 7 pay grades:

Expecting She receive 7 weeks paternity leave at **wmw x1** then **SmeC** rules apply ~ He receive 1 week maternity leave at **wmw x1** ~

Sick pay for all pay grades is **wmw x1** ~ There is 3 day grievance leave at **wmw x1** ~ There are 2 weeks (2 x 7 days) annual leave pay grade is **wmw x1** ~

Work gear, food, drink and hygiene are provided.

There are are no bonuses. No other benefits, perks, payments,.. There is no annual leave loading, nor long service leave. ~

Pay grades have minimum qualifications:

wmw x1 no skills

wmw x2 completed 'CE' skilled or 'Trade certificate'

wmw x3 Master Trade Certificate, CE reservist

wmw x4 Supervisor Certificate, CE reservist

wmw x5 Leader Diploma, CE reservist

wmw x6 Manager Diploma, CE reservist

wmw x7 Administrator Degree, CE reservist

Career path for He and She: Apprenticeship > work experience > further studies > promotion by seniority > work experience > further studies > promotion by seniority...

Workers who cannot find full or part time work. The Shire usefully employ these people on **wmw x1**. Eliminates unemployed !

Support wmw because it is fair employment! It gives full employment! It makes everyone a useful contributing member of a community!

C. G. Economic concept 4

All Intellectual property (**copyright, patent**) belongs to the Shire (**community**). Free to use by all. Intellectual property (IP) is preserved via 'Knowledge continuity'. Profiteering from IP is parasitic, predatory, profiteering, a crime: **MS R6**

Shire and Province provide 'Free Education' from cradle to cremation. In return all intellectual property belongs to all members of the community. Passing on intellectual property to foreigners (**multinationals, spies..**) is Treason: **MS R7**

Free Education is provided by Shire (**SmeC**), Province (**PHeC, PDEc, CE**). Everyone is learning and teaching all live long. Individuals provide 'Knowledge continuity' to family, work and community.

SmeC 'Shire medical education Complex'. The Shire provides free medical from conception to death, free education to children, seniors. It provides community services via 'SmeC. The SmeC also is a career path for only She !

PHeC 'Provincial Hospital education Complex'. A Province supply free Hospital from conception to death, free education to young He, adult He and She. The PHeC also is a career path for only He!

PDEc 'Provincial Defense Emergency center'. PDEc assists' gives guidance, protection in an emergency to the Province and its' Shires (**communities**). PDEc initiates '**Holy Matrimony**' contract, train Administrators via 'Leadership camp'. Career path for He, She.

CE 'Community Emergency service'. Every 17 year old She and 18 year old He has to attend 1 year compulsive 'CE' service. The 'CE' assesses each youth (**includes handicapped**) for their usefulness to a Shire and Province. Decides how their usefulness may be enhanced. CE removes parenting influence and replaces it with 'Communities Duties and Rights'. CE decides career path of each She and He as per their abilities and community needs.

Free Education provides a career path beginning with an Apprenticeship, as promoted, further study is available. Elitist useless short cut Education (**Universities**) is a waste. Graduates are employed as no skilled workers **wmw x1** If they seek a career they have to start an Apprenticeship. Universities are 'Shut!' Non Government education is 'Shut!' Government that give money to non government education are

stealing from the community. Stealing Government is replaced, held accountable, **MS R6**.

An individual's life experience knowledge (**intellectual property**) is preserved, becomes immortal. The knowledge continuity approach identifies critical and provides methods for capturing, transferring, applying that knowledge. Life experience knowledge is separated between work and personal.

When an employee leaves vast amounts of IP are at risk. To counteract this brain drain it is critical that the employee's intellectual property is preserved. It is essential to capture, preserve this knowledge before the employee leaves. Capturing means audio (**explaining**), video (**showing**), shadowing (**hands on**).

Family sharing comes via children and grandchildren. It means oral (**story telling**), audio (**explaining**), video (**showing**), shadowing (**hands on**). Every individual from age 14 is to record their life experiences (both positive, unsettling).

Zero tolerance to intellectual property predatory profiteers!

Free health and education (Citizen right)!

C. G. Economic concept 5

Gambling an addictive bad commercial, personal economics concept.

Commercial gambling includes, land, real estate speculation (**capital gain**), derivatives (**bonds, forwards, futures, hedges, options, leverages, shares, stocks, swaps, warrants**), Funds. Freehold ends. Gambling venues casinos (**betting shops, internet, tabarets..**), lotteries, exchanges (**future, stock**) are closed. Gambling promoters, profiteers (**bookies, funds manager, futures traders, stockbrokers..**) get, **MS R7**. Gambling is an addiction. Revenue received is unearned, taxed 100%.

Personal gambling: betting (**cock, dog fights, horse, greyhound racing, sport betting, 2 up, under ground fights, other outcomes..**), playing (**bingo, games, lotteries, internet, poker..**). Gambling venues (**bookies back rooms, betting shops, casinos, internet web sites, lottery outlets..**) close. Gambling promoters, profiteers (**bingo, bookies, lotteries, sport betting, net gambling web sites, other betting, or gambling...**) get, **MS R7**

Addicts do not believe they are addicted as long as they are enjoying themselves and holding their lives together. Addicts are ignorant (**stupid**), gullible, weak (**pathetic**)! Once addicted they become a threat to themselves and community. Addicts become delusional, anti social, dishonest, deceitful, immoral, selfish, uncaring. This forces a community to control their life style. Limiting freedoms, rights.

Zero tolerance to Gambling !

C. G. Economic concept 6

Commercial, personal credit is predatory lending (**Loan Shark operation**), it ends. Credit enslaves the Debtor which is cause and effect of Debt collectors. **Predatory lenders and Debt collectors are criminals, MS R6**

Government (**Provincial, Shire**) cannot use credit to finance their budget. Government revenue (**Taxes, Fines,..**) goes up government services increase (**wmw goes up**). Government revenue decreases its services are cut back (**wmw goes down**). Government doesn't use credit and stops commercial and personal credit. Government that goes into debt is replaced. Government members are personal liable for any debt that occurs.

Commercial credit a hangover of Capitalism ends. **CRON** are set up by Shires and C. G. Gatherings. **CRON** have to survive on revenue they generate. If they continue to not break even they close down.

Commercial, personal credit stops. Repayment of loans between friends, families, cannot be enforced. **Debt collecting ends. Debt collectors are criminals, MS R6**

Say 'No' to credit, debt, loans..! Punish debt collectors!

C. G. Economic concept 7

Taxes are needed so Government may fulfill its obligation and expectations to its people. Tax minimization and tax deductibility end. People businesses, organizations.. use what Government supplies. However some are selfish, greedy, parasitic! They don't want to pay their fair share for enjoying these Government benefits. They are tax avoidance, tax minimizers, using tax havens, stealing from Government, commu-

nity, taxpayers. They are criminals, shun, shame, asset strip, prison, **MS R6 Tax Shelter** are closed.

Tax shelter: Alaska, Andorra, Bahamas, Belize, Bermuda, Cayman, City of London, Curacao, Cyprus, Delaware, Dubai, Florida, Jersey, Guernsey, Hong Kong, Ireland, Isle of Man, Liechtenstein, Monaco, Luxembourg, Nevada, Panama, San Marino, Singapore, Seychelles, South Dakota, Switzerland, Texas, Turks and Caicos, Vanuatu, Vatican, Virgin Islands, Wyoming.

Custodian Guardian support the need of Government to collect taxes. Custodian Guardian oppose Tax avoidance, minimization, tax havens. **Paying Taxes an enforceable Civil Duty !**

Tax-minimization is Tax-avoidance!

Trusts are Tax-avoidance!

Tax-deductible Donations are Tax avoidance!

Tax-avoidance is stealing from the Community!

Tax-avoidance is a Crime: **MS/R6**

Tax rate	Type	Info
0 %	Income	applies up to wmw 7 *
21 %	Value added tax (0)	for all goods, services no exemptions
70 %	Business (1)	applies to gross profit
100 %	Higher income	applies to income above wmw 7

* Rewarded work is getting a wage ad conditions. Pay is based on a

weekly minimum wage (wmw) and a multiplier. The wmw is set every year by Government. (see C.G. Concept 3)

(o) Value added tax is collected by the Shire. The Shire keeps 50% of the tax collected and forwards 50% to the Provincial Government. Provincial Government collects and keeps all other Taxes. Both Shires and Province raise money through, charges, fees, fines. Shire, Province cannot use Loans to balance budget. (see C.G. Concept 6)

(1) Universe Custodian Guardians do not support private enterprise. They support "**CRon**" (Community Run Operated not for profit).

(2) Unearned is something gained not by merit, labor or service. Unearned income, position, power & wealth end. Enforced by Government.

(3) A Deceased person has a community afterlife: Estate, heritage, traditions, knowledge continuity. Estate passes on heritage, family traditions and memorabilia, accumulated knowledge, life experiences. Estate does not pass on Position (ends with death), Power (ends with death), all Wealth goes into Government Revenue.

(4) Disposables are wasteful. Pollute waterway's, seas.. Create more landfill! Disposables are phased out! Enforced by Government.

(5) Non recyclable become garbage, landfill. Non recyclable are phased out! Enforced by Government.

(6) Adding artificial and or natural sweeteners is to be discouraged. Is taxed extra(100%). Enforced by Government.

Charity that have Tax deductible donation status are **fake!** They are tax avoidance schemes endorsed by corrupt Government. Don't donate to these! Close down Charity, confiscate assets. Prosecute Government, **MS R6**

Being Wealthy (**Chain of Evil**) is a crime **MS R6**. A crime against the Community, anti social and insulting **1 God!** Wealth Apartheid ends! Parasitic predatory profiteering Ends. Private ownership ends! Replaced by community ownership and community governance!

Condoning profiteering, private ownership, freehold, patent, copyright gambling (capital gain, bonds, forwards, futures, leverages, hedges, options, shares, stocks, swaps, warrants, casinos, bookies, bingo, lotteries, Sport betting, Internet gambling web sites, any other betting and or gambling..), credit (cards, loans,...debt collectors), tax avoidance

(tax deductibility, tax minimization, tax deductible, trusts, donations..), wealth apartheid are not only a threat to this generation, next generation but coming generations. Children are to report parents that condone profiteering, private ownership, gambling, tax avoidance, wealth apartheid, freehold, copyright, patent, credit, destroying their children future. Parents hold accountable, remove and **MS R6** politicians that allow or are responsible of: profiteering, private ownership, freehold, copyright, credit, patent, gambling, tax avoidance, wealth apartheid!

C. G. Economics for a fairer community living useful rewarding lives!

To implement the C. G. Economic's concept. Community governance is needed. Custodian Guardian support 2 tier governance, spiritual and political. Spiritual is 2 tier, local: '**Klan**', provincial: '**Orackle**'. Political is 2 tier, local **Shire 'Council'**, '**Provincial 'Parliament'**'.

Governance comes through elected equal (He, She) representation. Elected equal representatives form a committee. Responsibilities are allocated by competence. Leadership by 1 is Tyranny! Governance by elected committee is fair.

A committee has equal representation of He, She. A Gathering has an elected committee ('Klan') of 7 He, 7 She. The Oratorio has an elected committee ('Orackle') of 7 He, 7 She. A Shire ('Council') has 2 elected (1 He, 1 She) + 3 Appointees. The Parliament consists of elected 35 He, 35 She. These elected then elect 7 He 7 She to form Government.

Voting is a moral civil duty. Survival of a community relies on maximum support participation from its members. A Community member and every Custodian Guardian are obliged to vote in all Elections (political or non political). Non compliance, **MS R1**

People not voting are supporting people that establish Tyrannies. They allow lobby groups to corrupt Governance. You Must Vote!

Governance needs Accountability. Governance makes Rules and enforces these rules. Rules are based on the '**Law-Giver Manifest**'.

AS it is WRITTEN It Shall BE

For the Glory of 1 God and the Good of Humankind!
