(Psalms 147:1, 3)*

Covid Symptoms Healed

To the senses it looked like my brother-in-law was dying of the “pandemic” and every material remedy was tried to help him but had failed. Because he was staying in a place believed to be the hotspot of this disease, everyone was worried that he wouldn’t make it. When he finally asked for a Christian Science treatment, I could see that fear was mastering his thoughts about himself.

I immediately knew, as Mary Baker Eddy, the Discoverer and Founder of Christian Science, states in the Christian Science textbook, *Science and Health with Key to the Scriptures*, “Fear is the fountain of sickness, and you master fear ... through divine Mind; hence it is through divine Mind that you overcome disease.” (S&H 391:32-2) This gave me the spiritual clarity to be conscious of the healing truth used by Christ Jesus, and set forth in our textbook in these words, “Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick...thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation.” (S&H 210:11-16) Recognizing my brother-in-law’s true identity as the perfect reflection of God, including all the health, strength and vitality bestowed upon him by his Creator, I was convinced that these qualities were all that he could ever truly feel, know and experience.

Later that day, he told me that he had received great relief from the pain and symptoms of illness. By the next day he had completely recovered, and was very grateful for Christian Science which he had, up to just a couple of months ago, believed to be satanic! It was so nice to help this man -- through signs following (healing) -- be able to fulfill the scripture, “Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men!” (Ps. 107:15)

Healing of Chronic Side Pain

After taking up the study of the Bible, *Science and Health* and other Christian Science materials, I learnt how very important it is to pray every day for myself and for the rest of the world.

In 2016, when I was doing my Ordinary level school studies, I suffered severely from side pains. Despite praying for myself for two months, I didn’t experience relief from the pain. I ended up thinking that perhaps the pain had been caused by lack of physical exercise. I started doing some exercises every day but the pain persisted.

My friends and other people advised me to get help from local prophets but I refused because I regarded them as fake. I decided to go to a Christian Science practitioner for help. When I told him for how long I had suffered from side pains he laughed in a friendly way and said, “It doesn’t matter how long an error has been believed. There is no special effort required to remove 6 or 13,000 from the sum of 2+2. When you are reminded of the rules of addition, then you can quickly realize that the answer to that sum is, and always has been, 4. You are a child of God and very precious in His sight and cannot be under the influence of anything else other than the love of God.”

I felt so relieved! The belief that something wrong was going on in my body just left me and I was healed instantly. The practitioner then gave me some Bible verses for further study: Jeremiah 32:27 and Romans 8:11.

I found these verses very reassuring, and the light I got from studying them has made my healing permanent.

I thank God for this proof of His grace and love.

Healing of Suicidal Despair

Last week I heard of a neighbor who attempted to commit suicide due to marital problems. I visited her and asked for permission to pray for her, and she agreed.

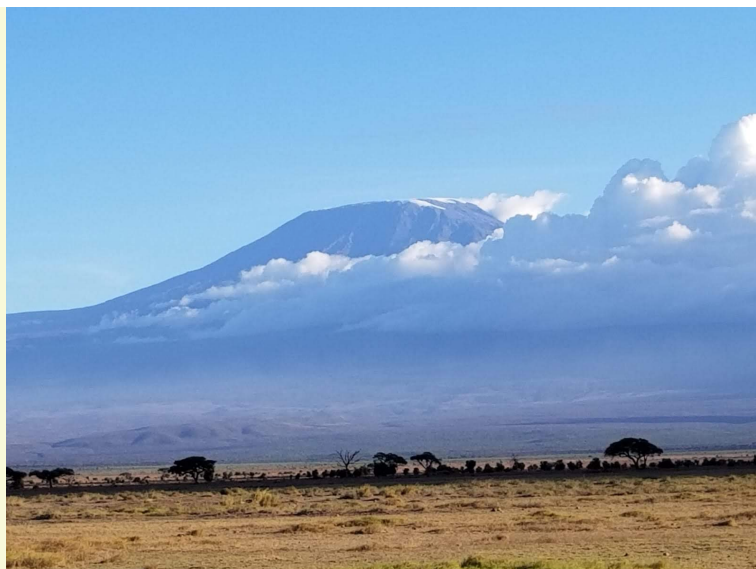

I started praying for the family, knowing that God's love is within the family and is always there. We read and discussed Psalm 46:1 "God is our refuge and strength, a very present help in trouble." I told her to cast all her anxiety on Him since He cares for you, and He created you and your family in His image and likeness. He truly loves all of you so much.

After the discussion, she smiled broadly as tears streamed down her face. I asked her for the reason for crying. She told me that no one had ever had time to listen to her problems as I did that day. Romans 8:38-39 came to mind and I read it to her: "For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord." I told her to see everyone at home as perfect. I reminded her of how Jesus healed: "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick." (S&H 476:32-4)

She thanked me so much and told me she was relieved and no more thoughts of committing suicide were in her mind.

This experience taught me more concretely that as we humbly and deeply turn to God in prayer, we can expect to find answers and healing for any situation.
