Fall Adopt-a-Position

By Rick Fellers

The fall Adopt-a-Position will be the weekend of Oct. 6th & 7th.

On Saturday, we will tour Union Mills and Westminster, MD. We will meet at Union Mills at 1:30 pm to tour and discuss the following:

1. The Shriver family home;
2. The Shriver operational grist mill on Big Pipe Creek;
3. JEB Stuart's stop at Union Mills on his way to Gettysburg; and,
4. Meade's Pipe Creek line plan as a fallback position.

We will then travel to Westminster to learn about Corbit's charge on the Confederate cavalry. We will also visit the graves of several Confederate casualties buried here.

After returning to Gettysburg, you will have the opportunity to converse with other roundtable members at dinner at 6:30 pm at Madam Li's Chinese Buffet on York, Street. It is two blocks east of the square.

At 10 am on Sunday, all able bodied members will report to the 155th monument on Little Round Top for the clean-up.
