## Post Commander

We held another meat raffle in February, not the attendance we would like but we are still money ahead. The Pink the Post was another successful event with proceeds going to a very good cause. Thanks to Kevin Hermey and Kacy Friedler and all the volunteers for their support.

This month we will be nominating new officers for all of our positions; are you ready to step up? If you haven't held a position before there will be much help and guidance from previous office holders. Thank you to all our elected members in the Legion, Sons and Auxiliary for their hard work and dedication to our post.

The Sportsman's Raffle is next month, thank you to all who are selling tickets. The spring and fall raffle are our biggest fundraisers for the year. Thank you to Carl Davis for taking care of the tickets. Remember, if every member buys one and sells one, half the tickets are already sold.

We continue to do great things for our community and veterans, we hope to see you at one of our dinners or events in the near future.

## Auxiliary President

Another month has flown on by and our year is quickly coming to a close.

Thanks to everyone who came out to our Pink the Post event. Although the weather wasn't the best, we still had a great turn out. Our juniors did a great job painting pinkies for Pluta raising \$60! Your continued support is greatly appreciated.

Our new member dinner/program will take place at our March meeting. We look forward to welcoming all our new members. We will have a delicious meal followed by our regular meeting.

We are currently collecting cleaning products for a local family in need. We are looking for cleaning supplies, paper towels, laundry detergent, etc. We are hoping to have items brought to our next meeting in March. If you are unable to attend, contact me and I can meet you to pick the items up or you can leave it at the Post with a note designating for the Auxiliary.

As we enter the season of Lent, I came across a wonderful Fasting post attributed to Pope Francis. As I think about the spirit of good will and inclusion that our organization strives for, I thought I'd share a few bits that I hope we can all take to heart. "Fast from hurting words and say kind words. Fast from pessimism and be filled with hope. Fast from complaints and contemplate simplicity. Fast from selfishness and be compassionate to others. Fast from grudges and be reconciled. Fast from words and be silent so you can listen."
