Below is a response to the recent comments I received from you:

Dear Mr. Lewis:

Thank you for providing me with information regarding circumcision.

I am proud and humbled to serve as Florida's thirty-third United States Senator, and I intend to work hard to represent all Floridians here in the United States Senate. Through your correspondence, I am informed of the issues that are important to you and am better able to serve your interests in the Senate.

I appreciate being apprised on issues of importance to the people of Florida. I will be sure to keep this information in mind as we proceed in the 109th Congress.

Again, thank you for contacting me. If you have any additional questions or comments, please do not hesitate to let me know. In addition, for more information about issues and activities important to Florida, please sign up for my weekly newsletter at <http://martinez.senate.gov>.

Sincerely,

Mel Martinez  
United States Senator
