3 SHOWS	<p>Please write the times you are UNavailable in the squares above. Rehearsal days/times will be extremely flexible w/the first few wks being mostly one on one rehearsals so be sure to include conflicts for each numbered day. Due to multiple casts, performances may also be flexible so be as specific as possible when listing conflicts and be sure to include commute times to downtown St.Charles. Students leaving town for spring break are eligible for casting, but be sure to include all conflicts.</p> <p>Students will have 1-2 days off during tech based around availability & charity performances. List any conflicts you have & we'll try to schedule around them, but understand that tech attendance is required unless you have an approved exception before casting</p>
