- **Selectman Watkins** reported that at the last meeting, the Board has asked him to move forward with the nomination process for the Spirit of America Award; he provided a nomination form and timing guidelines to be able to present this award at Annual Town Meeting. Selectman Watkins stated, “This year Bridgton Board of Selectmen is proud to accept nominations from the townspeople for an individual or group from within the municipality to be considered for the 2016 Spirit of America award for their continued service and dedication to the town in the spirit of volunteerism. The deadline for residents to drop off nomination forms to the town office is 4:00PM on Thursday May 19, 2016. The criteria for the award are impact, compassion, intensity and longevity for volunteer efforts for the community of Bridgton. Nomination forms are available at the town office during business hours or can be found and printed on the town website www.bridgtonmaine.org. Please be prepared to give examples of the nominee’s volunteer efforts when filling out a nomination form.” The consensus of the Board was for approval of the process as presented; the Board thanked Selectman Watkins.
- **Selectman Murphy** had no concerns.
- **Student Representative Messina** asked what the plan is for the monument on top of Main Hill. Chairman King responded that there are no immediate plans. Town Manager Peabody added that the monument is one of the areas being looked at in the streetscape project; preliminary plans are available for review in the Board of Selectmen’s Meeting Room (upstairs) and public comments are welcome and encouraged.
- **Chairman King** said that every time he goes by the skateboard park there are no skateboarders, just cars and bikers and suggested that the Board pull that whole park out of that area. Selectman Watkins suggested relocating the equipment to the park beside the Police Station. Vice-Chairman McHatton believes that the Town should invest in the Park because closing it would create bigger problems. Selection Hoyt asked how much money is in the budget for the Skateboard Park to which Town Manager Peabody responded, “zero.”

   d. To hear public comment on the following questions that will be presented to the voters via referendum ballot on June 14, 2016:
      Chairman King opened the public hearing at 6:08 P.M.

      ●Question 1. Shall an Ordinance entitled “June 14, 2016 Amendments to the Bridgton Sewage Ordinance to Promote Economic Development in the Downtown Area by Revising the Current Method of Sewer Allocation to Free Up Existing Unused Capacity in the Bridgton Sewer System” be enacted? [Board of Selectmen Recommend a "YES" Vote]
         Vice-Chairman McHatton reported that the reason this issue is coming back to the voters for a second vote is because the voters were blindsided with misinformation last November. Chairman King added that passage will not affect property taxes, only the users on the system will be affected.

         ●Question 2. Shall an Ordinance entitled “June 14, 2016 Amendments to the Town of Bridgton Shoreland Zoning Ordinance” be enacted? [Board of Selectmen Recommend a "YES" Vote]
         There were no public comments.

         ●Question 3. Shall an Ordinance entitled “June 14, 2016 Amendments to the Town of Bridgton Site Plan Review Ordinance” be enacted? [Board of Selectmen Recommend a "YES" Vote]
         There were no public comments.

         ●Question 4. Shall an Ordinance entitled “June 14, 2016 Amendments to the Town of Bridgton Tower Ordinance” be enacted? [Board of Selectmen Recommend a "YES" Vote]
         There were no public comments.

         ●Question 5. (BY CITIZEN PETITION) “Set town funding of the Bridgton Food Pantry at $10,000 per year starting in FY 2016-17 to cover increased expenses and costs of running our vitally important local food pantry.” [Board of Selectmen Recommend a "NO" Vote]
         Penny Robbins, Director of the Food Pantry, clarified that the request is for this fiscal year only. Chairman King responded that the wording on the ballot is the language from the petition.

         Mr. Howe asked why the Board is recommending a “no” vote. Chairman King responded that the Board was concerned with the increase in taxes. Vice-Chairman McHatton added that because there are no income guidelines, he does not support funding.

         Michael Vorce said that he has benefited from the food pantry for four years and it has been a big help. He added that there are many people that take advantage of the food pantry that do not have high income and are very grateful for the help. He expressed appreciation and gratitude for the food pantry.
Lucia Terry said that the request is not a lot of money but there is a lot of hungry people in this town.

Ray Baldwin said that he is 69 years of age and it’s hard to make ends meet on social security. He takes advantage of the food pantry and hopes everyone will keep the food pantry going as it’s a benefit to all.

Karen Hawkins said that she is a member of the Board of Directors for the food pantry and that if a client feels they need food due to a hardship, the pantry will serve them no matter what their income is. She added that there are over 6,000 hours of combined volunteer time and all the money received goes directly into buying food. She is ashamed that the Board did not vote to support the ballot question.

George Bradt cleared up any financial confusion by stating that if a house has an assessed value of $100,000, a taxpayer would pay $1,000 in taxes and if the question has passage, that same taxpayer would pay one more dollar, which represents a one cent increase. If a house has an assessed value of $200,000, the taxpayer would pay an additional two dollars. Mr. Bradt thanked the public for attending the meeting to support the food pantry. Mr. Bradt stated that the Board of Selectmen also hold the title of Overseers of the Poor to which Chairman King responded that the Town offers a general assistance program. Mr. Bradt asked, “Who are we to judge a person that seeks help at the food pantry?” Mr. Bradt reported that there are at least ten families living in extreme poverty and do not know where their next meal will come from; funding the food pantry is an inexpensive way for us all to chip in.

Vice-Chairman McHatton asked why the food pantry did not request funding during the budget process to which Mr. Bradt responded that the Board had cut funding a few years ago and he assumed that meant that the Board no longer supported the organization. Vice-Chairman McHatton added that this is a new Board that never had the opportunity to respond to a request for funding. Mr. Bradt said that he believed the petition process was the right thing to do.

Selectman Watkins noted that at the last meeting there was discussion that there are no restrictions or documents about eligibility for use of the food pantry but there has been made mention of applications and punch cards to which Ms. Hawkins responded that clients must provide proof that they live in Bridgton. Ms. Robbins added that the Good Shepard Food Bank does not allow the pantry to request additional information but that punch cards are provided to know that each client has received their monthly allotment. Ms. Robbins said that CDBG does require income information but that the food pantry does not keep these records. She added that if someone needs food, the pantry gives them food.

Selectman Watkins said that there seems to be discrepancy on how the petition is worded and the intention to which Town Manager Peabody responded that we can’t go by intention, we have to use the petition language as submitted.

Ms. Hawkins said that the food pantry was unorganized for many years and Ms. Robbins has now organized the program and was unaware that the group could request Town funding. Vice-Chairman McHatton suggested that the group contact the Town Manager for additional information on the budget process and timeline.

Selectman Hoyt asked what other income sources the pantry has to which Ms. Robbins responded that they apply for grants, the Methodist Church donates use of the building and both Hannaford and Food City donate products to the pantry.

Vice-Chairman McHatton encouraged the public to vote by secret ballot on June 14, 2016.

Robin Guthrie said that she uses the food pantry and the request for funding is not a lot of money.

Allison Guthrie said that the general assistance standards do not help and that she would go hungry if the food pantry did not help.

Chairman King closed the public hearing at 6:48 P.M.

She noted that Nextgen is doing work to put out really good information and they are especially targeting those that are most likely to vote in June. The Committee believes that there is another piece to the vote and that the Committee’s role is to educate, urge a “yes” vote and to get the message out to those that are not likely to vote but would come out and vote with an understanding of how important this is. Ms. Terry added that the meetings are all open and public input is welcome and encouraged.

   Selectman Hoyt requested that the Town Manager put together a letter from the Board for the newspaper prior to the next meeting.

11. Public Comments and Presentations (*Each speaker may be limited to 3 minutes.*)
    Robert Howe asked if funding for the new full time police officer position and full time fire chief position will be voted on at Town Meeting to which Town Manager Peabody responded that both positions are included in the respective department budgets (they are not separate articles).

    David Bush, Bridgton resident and BRAG Board Member, requested that the Board consider the request for funding in the amount of $50,000 in fiscal year 2016-17 in lieu of the complex being taken over by the Town. He reported that this is the fourth year that the fields have been used by various sports. BRAG does not have the ability to complete the check list of items before turning it over to the Town because all the money that is being raised has been spent on maintenance issues. $50,000 in funding from the Town would allow the BRAG Board of Directors to focus on the other items of importance on the check list.
12. Old Business (Board of Selectmen Discussion Only)

The architect would like to present a draft to the Board and review the whole project. The Board opted to begin the meeting on May 24\textsuperscript{th} at 4:00 P.M. with a workshop session to review the streetscape project.

   d. Bridgton Microloan Program
      Director Krieg requested that the Board edit the guidelines or authorize her to commence the Microloan Program. Selectman Hoyt noted that the previous loan was $25,000 and is now being recommended at $10,000 to which Director Krieg explained she is recommending $10,000 to allow more businesses the opportunity. **Motion** was made by Selectman Hoyt for approval of the Bridgton Microloan Program; 2\textsuperscript{nd} from Selectman Murphy. 5 approve/0 oppose

      Town Manager Peabody commended Director Krieg for a job well done.

   c. Garden on Park Street
      Town Manager Peabody reported that continued maintenance of the garden would fall under the “Rules & Regulations Regarding Use of Town Owned Parks and Properties by Private Groups.” He added that with the setback from the water, about 50\% of the area could be paved. **Motion** was made by Vice-Chairman McHatton to allow Marguerite Wiser to continue to garden in that area subject to following the use of Town Owned Property Policy and application process; 2\textsuperscript{nd} from Selectman Murphy. 5 approve/0 oppose

   e. Approval of Annual Town Meeting Warrant
      **Motion** was made by Selectman Murphy to take the BRAG issue “off the table;” 2\textsuperscript{nd} from Selectman Watkins. 5 approve/0 oppose

      Vice-Chairman McHatton proposed three things: 1) the Board consider taking the fields over or; 2) that Selectman Hoyt and Vice-Chairman McHatton be removed as liaisons and be replaced with Selectman Murphy and Selectman Watkins to negotiate with BRAG and bring the proposal to take over the fields to the voters via referendum ballot in November or; 3) add $50,000 to BRAG in the Annual Town Meeting Warrant as requested.

      Selectman Watkins said that there have been many hands involved in the project, and all with good intentions. He proposed a workshop with the Board of Selectmen, BRAG Members, Planning Board Members and the Code Enforcement Officer to work through item by item and ensure that everyone in attendance has a clear picture of the direction going forward. Vice-Chairman McHatton concurred and added that this would work nicely with the second proposal to seek voter consideration in November.

      Town Manager Peabody noted that the request for $50,000 to BRAG would stay with the Town and BRAG would present bills to the Manager for review and payment.

      The Board directed that the Town Manager coordinate the workshop session.

      **Motion** was made by Selectman Hoyt to amend the Annual Town Meeting Warrant to include $50,000 to BRAG; 2\textsuperscript{nd} from Vice-Chairman McHatton. 5 approve/0 oppose
Selectman Hoyt asked for clarification of Salmon Point revenue to which Town Manager Peabody responded that $58,401 is used to offset staff time and the playground.

Selectman Hoyt asked for clarification of $105,000 under Capital Expenditures to which Town Manager Peabody will provide the details to Selectman Hoyt after reviewing the account.
