Lunch is included on both days. No omit lunch credit. In order to keep the contest running smoothly, there is a limit of two planes on each 72 Mhz channel. If flying on 72, we suggest that you sign up early to be assured your first choice of frequency and timer. We will try to accommodate those who wish to team up and time with another pilot. PLEASE ONLY ONE PARTNER!! No *Ménage a trios* at SVSS. Remind your partner to include your name on his signup form as well. If both you and your partner are flying 72 Mhz it would be very helpful if you were both on the same channel. We make these requests to keep the flight order moving and assure a full day of flying fun for everyone.
