Hello friends of the Clinic!

Join us in three short months for the 8th annual McKenzie River Clinic Tokatee Scramble. Together we will welcome, on Sunday August 25th, people from all over the McKenzie Valley--and friends from afar--to support the medical needs of our community.

You are essential in keeping the Clinic open and each year this fantastically fun day of golf is a significant part of making that happen. At the Clinic, our only local health care, people can manage their diabetes, get preventive health testing, receive a vaccination, or get a prescription. Because of your support we are able to provide these essential services to our community and we can't thank you enough for being a part of it.

This year, funds raised will be used to help defray the cost of replacing our heating and cooling system, including the heat pump . You can help cover these costs.

There are a variety of ways to participate. You or your business can sponsor golf holes, put together a twosome or foursome, donate raffle or silent auction prizes, sign up on your own, volunteer for the day, or make a simple but impactful donation.

If you can help please return the included form or reach out about our larger sponsorship opportunities. Your donation can be mailed to: Tokatee Scramble, c/o McKenzie River Clinic, PO Box 183, Blue River, OR 97413.

For any questions about participating in the golf tournament or about the Clinic and its role in our community, please don't hesitate to reach out to Board Vice President, Mike VanWyck, at mmvanwyck@msn.com or by phone at 541.225.7353.

Thank you for keeping the McKenzie River Clinic as a vital service for the hundreds of people we serve.

In gratitude,

Valerie Rapp, Board President

Mike VanWyck, Board Vice President
