BUYER'S AUCTION TERMS

1. To participate in the auction, a buyer must obtain a bid number. Bids are accepted by number only.
2. A buyer's premium of 10% will be added to each lot purchased.
3. All auction lots are available for inspection before the sale. It is solely the buyer's duty to inspect all lots prior to bidding. All lots sold as is.
4. An Auction Catalog is provided as a tool for buyers to track the lots available. It is not intended to indicate the condition of any item. The buyer is
5. The organizer and auctioneer reserve the right to add, change, or withdraw any lot prior to it being offered for auction. The organizer may alter the order of
6. The organizer and auctioneer reserve the right to refuse a bid from any buyer at any time.
7. The judgment of the auctioneer and organizer is final.
8. Some items in this sale have a reserve price, below which the lot will not be sold. Should the high bid not reach the reserve, the last bidder will have the
9. All sales are final. A lot becomes the property of the buyer when the auctioneer declares an item sold.
10. Lots must be picked up and all accounts settled within 24 hours of the end of sale.
11. Payment terms are cash, travelers check, or personal check if the buyer has made arrangements with the organizer before the sale.
12. Auction terms will be announced by the auctioneer from the podium and any additions, corrections or changes will take precedence over those written
