Good Afternoon Everyone,

It is with great pleasure that I announce the promotion of Khaya Baker to Director of Reentry Housing effective Monday, 7/11/22. Khaya has been with PRI for over 10 years and brought many years of case management experiences working with children and adults with her to PRI. Khaya started out as a supportive case manager at PSTP and was later promoted to coordinator of the reentry permanent housing program. We are pleased that she will continue her career with Project Renewal and provide additional leadership for the PSTP Team in her new role.

Please join me in congratulating Khaya on her promotion to Director!

Thanks,  
-Katie
