

VFW POST 12146 Ban Chang

1/1-4 Moo1, Soi Tessaban 25, Sukhumvit Road Phala
Subdistrict, Ban Chang, Rayong Thailand 21130

The post is of course interested in new members and transferees, members are encouraged to continue recruiting efforts. However, to avoid confusion do not immediately invite recruits to the next meeting.

Allow the vetting and review process of the membership committee to take place first.

Good practices when discussing joining our Post with a prospective member:

- a. Ask 4 questions, campaign medal? service medal? Korea? Hostile Fire pay?
- b. Invite the prospective member to the Saturday social or to socialize after a monthly meeting
