

Hello summer, hello #15,

Well, I hope everything is good for you and your family. Going over last month's stuff for you missing people. Please mail your blue bike raffle tickets that were mailed to you. Sold or unsold they need to be mailed back. Or bring them to me and I can mail them. All the orange tickets are due August 19th. Every month all the ABATE guys do a real great job of passing on useful information. All the Lansing news can be found in the front of the magazine. I don't cover state stuff here in the region report, so make sure you are reading those as well. Also sine they are so close, please give a read to regions 14 & 18. Support them and they will support us.

I attended the 6th annual Michigan Confederation Of Clubs (MCOC) party last weekend at the Diamondbacks MC in Potterville. The evet was very well attended and ABATE was awarded a trophy for being the largest group in attendance.

Back to the future (haha), next week we have our mystery poker run & BBQ. We'll have the report on how that went next month for those who can't make it. After that is the all region softball game. That's on October 7th. The flyer is in this issue of rider. Remember you don't have to play. You can cheer us on! So far we have 4 regions confirmed, all are invited! So bring your balls and come out!

Anything else I forgot, then I forgot. Thank you to some member that reached out to me about thanking me for the terrible job I do. See that's why I'm stepping down in November, LOL! Hope to see you all soon.

Peace – Love – Out
