

CITY OF LAMBS GROVE

COUNCIL MEETING

AUGUST 7, 2014

Meeting was called to order by Mayor Bill Perrenoud at 7:00 p.m. Roll call: Kevin Parsons, Cindy Humke, Kent DeGoey, and Steve Thomassen present. Absent: Tom Clark. Parsons moved and was seconded by DeGoey to approve the agenda. Upon roll call vote, motion carried unanimously.

Guests: Bob Callaghan

New Business:

- a. Council discussed issue with curb intake on Oakwood and different styles of grates. They will follow up with Tom Clark who was absent from the meeting to discuss the next steps.
- b. DeGoey went and looked at the section of creek that was brought to the Council's attention at the last meeting regarding erosion. DeGoey reported that it was the section of creek where a break in the sewer pipe had occurred. When the contractor fixed the pipe, he brought in a lot of rock. This changed the flow of the creek and is now eroding the opposite side of the bank. DeGoey will contact the contractor to see if some rock can be pulled back to straighten the flow out some.
- c. The Council along with Superintendent Callaghan discussed the traffic flow around Thomas Jefferson at the end of the school day. Everyone's number one concern is the safety of the kids. The items discussed that will be implemented this school year are: (1) Right turn only coming out of the drop-off in front of the school (Thomas Jefferson Road), (2) Utilizing the bus lane for parent pick-up after the buses leave (north side of Thomas Jefferson School), and (3) Enforcement of no parking on Thomas Jefferson Road.
- d. The city clerk will follow up with Iowa Codification to see which legislative changes affect the Code of Ordinances.

Consent Agenda:

DeGoey moved and was seconded by Humke to approve all of the items on the consent agenda including the minutes from the July 3, 2014 meeting, bills, and reconciliation report for July. Upon roll call vote, motion carried unanimously.
