WROUGHT IRON

Featured here: Kirsch® Wrought Iron Bird Cage Finials in Black finish with coordinating holdbacks

Featured on the cover: Kirsch® Wrought Iron Collection with Crown Palace finials in black with roman shades from Classique collection with room darkening in mocha in hobbled style with motorized lift system.

WROUGHT IRON

Old World Spanish influences embrace modern touches in the new Wrought Iron Collection. Kirsch designers, in concert with interior designers from around the country, shaped this exciting collection that ranges from classic profiles to unmistakably modern motifs. Single and double brackets, holdbacks, rings, finials and a stoutly-made 1" rod dazzle in five finishes: Black, Rust, Iron Oxide, Iron Gold, and Antique Pewter. A striking expression that is both organic and sophisticated, the new Wrought Iron Collection can complement any interior design vision.

Color photography in print may vary slightly from actual finished product. Please confirm your color selection with the Kirsch Swatch Card or Kirsch Display Board.

56350
Bird Cage
Size: 5¼"l x 2¾"w x 2¾"h, .75 lbs.

56368
Holdback Base
Size: 4 7/8" l x 3 1/16" w x 3 1/16" h, 1.40 lbs.
Finishes: 011, 770, 777, 801, 802

Holdback Base to be used with Kirsch 1" Finials and/or end caps.

56369

Finial Plugs

Finish: 058 Clear Plastic

Kirsch Wrought Iron Finials are packaged in pairs. The finials screw directly into a finial plug, making it easy to keep them even and level every time. Two finial plugs are included with every pair of finials and end caps and can also be purchased separately. The finial plugs can be used on the Kirsch 1" Wrought Iron Pole and the Kirsch Wrought Iron Holdback Arm.

As a convenience, we include two molly anchors with each bracket and holdback arm that can be used with 1/2" drywall (the most common residential sheetrock).
