Shark Finishing Machinery introduces to its line of digital print finishing equipment the SCR-6 & SCR-7 Corner Rounders. These corner rounders are constructed of strong metal for long life. The SCR-7 is capable of cornering up to 3" at a time using any of the 7 built in dies that can be selected from its rotary carousel. Standard blade sizes range from 3/32 to 5/16 and optional 1/2 and 3/8 are also available. The SCR-6 comes standard with 1/4" blade with a variety of optional blades available. These machines are easy to use, compact in size and require minimal maintenance.

SCR-6

- Strong Metal Construction
- Interchangeable knives
- Table Top
- Manual
- Waste Tray
- Alignment guide
- Cutting capacity 0.4in.

SCR-7

- Cutting capacity of up to 3 inches
- Easy to use built in Rotary Die Carousel
- Manual Die Selector
- Standard Built in 7 Dies
- Blades can be sharpened
- Electric
- Foot Pedal Operation
- Built in waste basket for easy clean up
