### INSTRUCTIONS

The \$800-\$1200 Annual Operational Assessment does not include Woman's Auxiliary Special Projects monies or church and individual representation fees for sessions.

**General Church information:** Please provide updated address information for the pastor and Church Clerk – (please use the address where the church receives mail and E-mail.) Membership numbers are optional. However, this information will help the Association continue to pray and support your church for future growth. Please check yes or no appropriately if you have /have not activated your church's web-page on our website at [www.hpassociation.com](http://www.hpassociation.com) for the one-time fee of \$35.

**Amount of Association Operational Assessment Brought to this Session.** The annual assessment (\$800.00-\$1200.00) will support the financial operations of the parent body and its auxiliaries. List only the fees you are submitting to this session. List the names of up to three delegates for the General Session of the Association and/or for each Auxiliary; (the Pastor is always one delegate to the General Session). Distinctive name tags will be provided delegates and only those persons will be eligible to vote in voting sessions. You may designate the same delegates for more than one or all Auxiliaries and the General Session of the Association, though this is not recommended if it can be avoided. Write the total of all fees in this section on the line for Total Association Fee Assessment Submitted this Session.

**Contributions Submitted this Session For Local, State and National Objectives:** As in previous years, each church is asked to support our Youth Trac with a \$200 contribution, which is in addition to the registration fee for each child. If contributing less than \$200, please contribute as much as you can. Multiply the number of youth you are sending by the appropriate registration fee and enter this amount on the second line. Contributions to be forwarded to the listed state and national objectives through the Association must be identified in this section. All amounts will be totaled from each church and forwarded by Association check.

**Total Contributions Submitted at this Session:** This is the total amount of all contributions for local, state and national objectives. This amount does not include your Annual Association Fee Assessment submitted this session, but only the contributions.

**Total Fees and Contributions (2016-2017):** This is the total amount of your Annual Association Fee Assessment and all other contributions submitted to this session. Your Association receipt will show this amount.

**Total Fees and Contributions Sent Prior to this Session:** If you would like recognition for your support sent to the Association and/or its auxiliaries, the State Convention and/or its auxiliaries, and other national organizations you gave prior to this session please attach copies of your checks or receipts to this form.

**You can mail your check and completed form to:** HPEMBA P.O. Box 17336 Winston-Salem, NC 27116
