The Crank Case

The Emma Crawford Coffin Race held the last weekend in October was a blast! Thanks Chelsea Holmes, Brian Schips, Rex Hiltermann, Reed Hiltermann, Kirby Laughlin, Terry Myers and my lovely wife Jamie for supporting the Manitou Springs Chamber of Commerce with teching the coffins, working the timing and overall verifying that all of the 51 coffin teams stayed within the rules of the course as they pushed their coffins up

hill to the finish line. The quickest time was just over 25 seconds and the longest was about a minute and a half with an injury involved. It was so much fun to help out the Chamber to the point that some of us are talking about building a coffin and participating in the race next year. Chelsea, you did a fantastic job as the “checker flag” girl (see attached photos).

As most of you are aware, the club had a garage tour on the Saturday of the October club meeting day. I would like to thank Donalu and Jamie for putting up with our hobbies/habbits and allowing Jeff and I to host the events at our houses - Ha Ha. I really appreciate the club’s participation of pushing my 68 High Country Special into my shop so I can begin the restoration process (I’m sure Jamie does too). Please see some attached pictures of the event.

Looks like we have at least one volunteer for each of the Board and Committee positions now. That doesn’t mean that anyone else who would be interested in a position can’t send in their request to be on the ballot. This year’s Board & Committee Chairs and next year’s Board & Committee Chairs will

meet on Tuesday, December 5th, to transfer responsibilities for the new year. We will meet at IHOP at 6:30 pm on Constitution and Powers.

See you all this coming Saturday [the 18th] at IHOP on Powers and Stetson Hills for the November meeting and nominations for the new Board and Committee Chairs.

Club Meeting Minutes (21 October)

The meeting was called to order at 6:30 PM by President Neil Case.

There was 1 guest present.

The minutes from the September meeting were read and approved.

The treasurer's report for September was read and approved.

Old Business

The November elections were discussed. The candidates are Pat Germain for president, Reed Hiltermann for vice president, Kathy Short for secretary, and Dave Brown for treasurer. An email will be sent out to the membership to see if any absentee ballots will be needed.

The club has been contacted by the Manitou Springs Chamber of Commerce to see if we would be interested in teching the coffins for the Emma Crawford Coffin Race. The date is October 28th starting at 9 AM. There is a need for 6 to 8 members to do the inspecting. Neil stated that we have the necessary volunteers for this.

New Business

Bryan announced that the board would like to make changes to the prizes awarded at the Christmas party. We would have a \$100, two \$50, and five \$20 prizes. A motion was made and passed for this. The details about the party were restated to the members.

The club is one for the founding clubs for the Rocky Mountain Mustang Roundup but, as of late club participation has been small and it has been hard to get a volunteer to go to the committee meetings in Denver. Neil would like to know if the members feel that the club should continue or drop out from the event. An email will be sent out to try to get feedback about this.

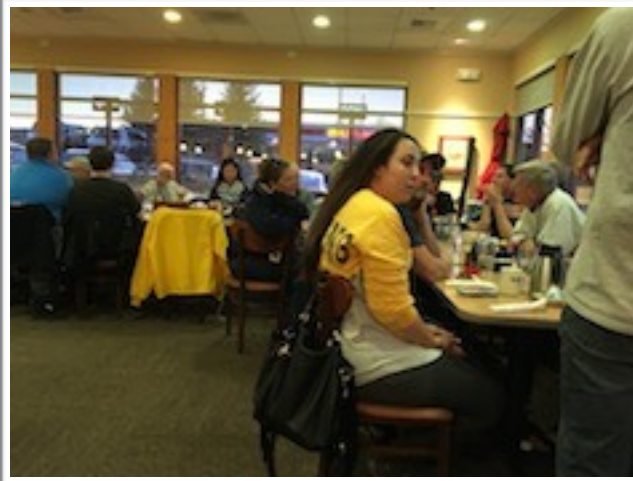

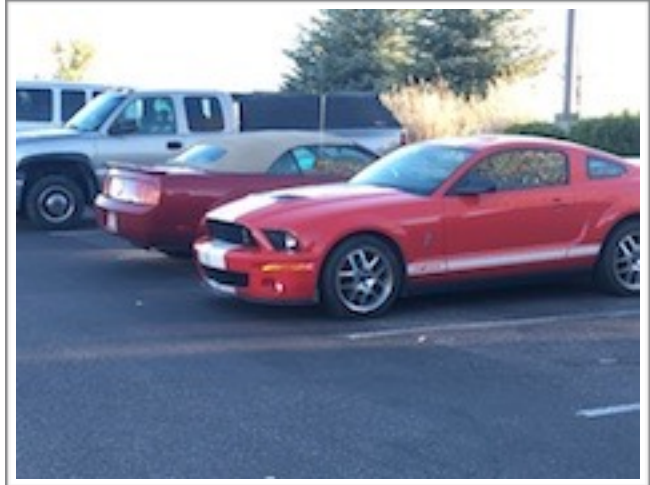

The city of Manitou Springs holds its Christmas parade on December 1st and the club participated last year. If there are members who would like to do it this Neil needs to know by November 11th.

LaRon's invitation to a car lovers Christmas party to be held on December 23rd at Johnny Martins was mentioned. Pat Germain said that he had written an article for the newsletter about Johnny Martins.

The door prize drawing was held.

There was a motion to adjourn the meeting and it was passed. The meeting adjourned at 7:13 PM.

Garage Tour

Our annual garage tour was held at the Case's and ONeil's garages. We had a good turnout, some 14 club cars attended. While at Neil's garage, he took the opportunity to enlist club members to push his '68 HCS out of his field and into his garage where he will commence the task of restoring it. Chelsea took a video of the car being pushed into the garage and posted the video on the club's Facebook page. Here's the [link](#).

Dick's Dialogues!

Well, it looks like fall (can winter be far behind) is well underway; leaves are mostly gone, the nights are starting to be colder, we've had our first snow (10" up here in Woodland Park), and some of our Mustangs won't be out as much. I'm going to borrow a thought from Tony Marzavas, of the Southern Colorado MOPARS: although the cars may be sitting idle, it doesn't mean that we have to. We can pull together some impromptus such as go to Phil Long to see the new Mustangs, followed by eating at one of the fun restaurants that we didn't have time to get to during the summer (such as Rosie's Diner, Solo's, etc.); maybe some get together to help each other out on one of their projects on their cars; in addition to the club meetings and regularly scheduled activities. Just a thought, what do you all think?

Once again we had a great turnout for the Progressive Dinner; many thanks to Stew Harding/Joannie, Al/Sue Alberg, Dave/Karen Gardner, and Russell/BJ Harbach for opening their homes to host us and to Jim Nass for planning/coordinating the event. In addition to our hosts; Neil/Rachelle Case, Dean Gacita, Brent

Gardner, Jim/Dawn Guggenbiller, Chuck/Angela/Jordan Hoyle, Robert Jimenez, Ron Kay/friend Carol Ann Monynhan, Jay/Jan Lindley, Toni/Amber McCord, Emily Nass, Gary/Andi Pittman, and Mike Taylor, joined Debbie and I, for an excellent cruise/food/company. We also got tours of Stew's super Mustang display room, the Alberg's gorgeous remodeling, and the Gardner's and Harbach's beautiful new houses, and cars in the garages.

November 20th will be the regular club meeting at Maggie Mae's. Be sure to be there, as we'll be electing club officers for 2005. Nominees are Chuck Hoyle for President, Mike Taylor for V. P., Jim Nass for Treasurer, and Neil Case for Secretary. Dean Gacita has volunteered to give Stew a break and do the raffle next year. Russell Harbach and Duane Sorlie have agreed to do the Newsletter and Website, respectively, again; thanks to all of you for being willing to help make the club better. Thanks again to BJ Harbach and Angela Hoyle for being our nominating committee. Remember to bring a non-perishable food donation, to the meeting, which we'll be collecting as part of our annual drive to help out Care and Share. Also Thanksgiv-

Club Clothing

There are two sources of club clothing: Graffi-T's Screen Printing and More, and Lands' End. Graffi-Ts is located in the Springs and provides silkscreened clothing. Lands' End is available online and provides their clothing embroidered with the club's logo.

Graffi-Ts

Graffi-T will provide club clothing that includes the Mustangers logo on the left chest and the running horses across the back. The long sleeve garments also include a left and right sleeve print. The colors that work best with our logos are: white, light grays, light blues, pinks, light greens, yellows, red, tans, and orange. The available styles are: sweatshirts, hoodies, long sleeve t-shirts, short sleeve t-shirts, and ladies v-neck t-shirts. A minimum order of 24 or more pieces in mixed styles, colors and sizes is required. In order to meet the minimum order quantity, the club accumulates individual member requests until the minimum quantity is met, then places an order. There are shirts available from previous club orders. Please contact Bryan Lowry about clothing currently in the club's shirt inventory.

Lands' End

Rocky Mountain Mustangers stitched-logo apparel is available from Lands' End. Use this link [Lands' End](#) to access the club's Lands' End website to place an order. The logo is shown below. Clothing items include shirts, sweaters, blazers, jackets, and caps.:

The cost of an item is the cost to apply the logo to the item you select (\$8.50) plus the cost of the item itself, and shipping (typically \$9.95 for multiple items). There is no minimum quantity; orders may be placed for single items. The time from placing the order to receiving it is typically three weeks.
