

GENEALOGY CLUB IS SUSPENDED UNTIL FURTHER NOTICE

Overdrive, RBDigital Combine and What About Zinio?

In September, RBDigital merged into Overdrive. For our RBDigital users, that means that you will need to download app to continue listening to downloadable audiobooks, but now you'll have many more options! If you already have the Overdrive app, that will work, too!

All you need is your Wilson Public Library card and the pin number (call us at 784-2019 for that info!). Libby and Overdrive are available 24/7/365 with a WIFI connection and your books are available offline once downloaded. There are never fines. Never be caught without a book again!

Currently, there are over 150 magazines available for immediate download via RBDigital (formerly known as Zinio), our downloadable magazine stash. Again, this will change with Overdrive's acquisition, but we'll keep you up to date on Facebook and our website. Call us at 784-2019 or visit our website for more information at www.wilsonpubliclibrary.org.

- All library materials are quarantined upon return and may not be immediately available to check out.
- The library limits what is sanitized daily; use at own risk.
- A variety of online resources are available through the library's website at www.wilsonpubliclibrary.org and our Wilson Public Library Facebook page.
- Until further notice, no toys or computers are available in the children's area.
- Be sure to check our Facebook page and our website for details.

The Wilson Public Library reserves the right to modify these restrictions based on Health Care Directives from Two Rivers District Health Department and/or City of Cozad Administration. You are using the library at your own risk. The Wilson Public Library and the City of Cozad are not responsible if you contract the Coronavirus. We are taking precautions to protect our staff and our patrons and will continue to reopen in a phased manner.
