- Meeting called to order at 8PM by Commissioner Rubio
  - In attendance:
    - Commissioner Rubio
    - Commissioner Ryan
    - Commissioner Redington
    - Commissioner Kieran Flemming
    - Commissioner Alchevsky
  - Also in Attendance:
    - District Administrator Scott Rauch
    - Board Attorney Rich Braslow
      - Neil Braslow
    - Whitesville Fire Chief Martin Flemming IV
    - Whitesville Fire Company President Chris Aldrich
    - Cassville Assistant Fire Chief John Poppe Jr
    - Cassville Fire Company President Novak
    - Career Fire Fighter Lt Poppe III
- Attorney Rich Braslow noted that this meeting was duly advertised as required
- Attorney's report
  - Due to the Coronavirus and inactivity of the Legislature there is nothing to report from the State level regarding legislation affecting the Fire District.
  - Since this year's operating budget includes the purchase of a new fire engine for the Whitesville Station now would be an appropriate time to begin the process of date selection for the required special election and approval by the public.

- Administrator Rauch's report
  - Annual and required apparatus maintenance and testing is continuing for the fleet.
  - Although Atlantic Highlands Fire Department continues its interest in the purchase of 5605 there has been no recent activity on their part.
  - A company from California named NEC-X has contacted Scott and wishes to provide "Firefighter Beacons" at no cost to the District. The beacon is a device worn by the firefighters that can assist in the rapid identification and location of each firefighter in the event of a MAY DAY. These devices are being tested and evaluated for market production and when ready, if the District wishes to participate, can be offered for purchase at a significantly reduced cost.
  - Administrator Rauch asked the Board whether it wished to continue the no EMS response policy during the Coronavirus or return to providing EMS services.
    - After some discussion it was decided to continue the no EMS response except for traumatic injury, such as in the case of an extrication or trapped person, ALS intervention or at the direct request of Jackson EMS.
      - The Board will consider and evaluate this policy again at the July meeting.
  - Due to the Coronavirus the firefighter physicals for the year 2020 were interrupted. Some firefighters, who were scheduled for physicals but cancelled, have been re-scheduled and will be evaluated as soon as our testing company can schedule them.
  - Administrator Rauch reported that there is a grant available for the purchase of exercise equipment for firefighters that could be used to equip the Whitesville station.
    - Commissioner Rubio noted that we should follow through with the grant application and purchase, with or without the approval of the grant as the budget allows.
- As the minutes for previous meetings were posted to each Commissioner for review, Commissioner Rubio asked for a motion to accept the minutes.
  - Motion was made by Commissioner Alchevsky and seconded by Commissioner Ryan.
    - All Commissioners voted to approve the motion.
- Lt Poppe addressed the Board and requested permission for the career firefighters to return to the gym facility at the Cassville main station on Rt 571.
  - The Board approved this request with the requirement all members, career and volunteer, follow social distancing while using the facilities

- Administrator Rauch noted that the firefighters already follow said guidelines while using the gym.
    - Cassville President Novak also confirmed this practice.
- Fire Chief's report
  - Chief Flemming IV
    - No negative issues.
  - Assistant Chief Poppe Jr
    - During this and last year's hose testing several lengths of hose were lost due to test failure. Are there plans to replace this hose?
      - Administrator Rauch noted as soon as the test report is complete by the testing company the hose that failed will be replaced.
    - Of the two fire trucks positioned at the Cassville Main Station both were unavailable simultaneously for pump and hose testing. On the next scheduled service he asked that only one at a time be taken out of service.
    - Brush truck 5609 returned from Jerry's Automotive with an engine carburetor deficiency and needs to be returned to have the problem resolved.
- New Business
  - Attorney Braslow requested the Board to consider a date be set for the Special Election and Approval by the public for the new fire engine for the Whitesville Station.
    - In order to comply with minimum time standards for posting and advertising the Board suggested Saturday August 22, 2020 from the hours of 2PM to 9PM.
      - A motion was made by Commissioner Redington and seconded by Commissioner Ryan for a resolution identifying said date.
        - All Commissioners voted yes to approve the motion.
        - Attorney Braslow will execute the resolution and required action for the election to include the date, cost of the vehicle not to exceed \$528,290, and financing requirements/options.
- Old business
  - None
- Lt Poppe ask the Board to begin contract negotiations between the firefighter's union and the District as the current contract expires December 31, 2020.
  - Commissioner Rubio asked that the union submit their request to the Board and a date to meet would be set.

- Public Comment
  - None
- Commissioner Comments
  - None
- With no further business before the Board Commissioner Rubio asked for a motion to close the meeting
  - Motion by Commissioner Redington and seconded by Commissioner Ryan.
    - All Commissioners voted yes to approve the motion.
- Meeting ended at 8:50PM.
