

SPECIAL NOTICE TO CASTLE ROCK COUNTY WATER DISTRICT MEMBERS MAY, 2019

Past correspondences have alerted you that changes would be occurring which affect every member of our water district. By way of this letter, the Board of Directors updates you to two of these changes.

SUPPLY OF WATER 1ST CALENDAR QUARTER OF EVERY YEAR

As we informed you in past correspondences, Contra Costa Water District (CCWD) provided financial incentives to the 10 Castle Rock Water District (CRCWD) members who had not yet hooked up to CCWD's system, largely so that if they did so, CCWD could discontinue the expensive requirement to pump potable water into the canal each Q1. All but 1 member agreed. Consequently, CCWD has now informed CRCWD that **beginning January 1, 2020, NO water will be available to CRCWD or its members during Q1 (Jan, Feb, Mar) of each and every year going forward.** CRCWD members will have to seek out other sources for their water requirements during these 3 months. Normal CRCWD deliveries will continue each April through December.

BOARD OF DIRECTORS MEMBERSHIP

CRCWD's Board of Directors is composed of five directors, who volunteer to serve their fellow neighbors without compensation, and are elected for four-year terms. The status of each current director is listed in the table below:

| NAME | POSITION | TERM EXPIRES | STATUS | PHONE NUMBER |
|-------------------|----------|--------------|---------------------------|--------------|
| Fred Allen | Chairman | 2020 | will not seek re-election | 925-932-5271 |
| Robert Deinhammer | Director | 2020 | | 925-935-4008 |
| Richard Hoag | Director | 2022 | | 925-876-1460 |
| Edward Grubb | Director | 2022 | | 925-980-5477 |
| Matthew Smith | Director | 2020 | may not seek re-election | 925-324-0246 |

As you can see, three board positions, including board chairman, are expiring early next year. **The Board cannot adequately function without filling these positions, and CRCWD's ability to supply water depends on a functioning board of directors.** As a result, the Board is seeking candidates who aspire to one of these positions to make themselves known by contacting any of the current directors as soon as possible (phone numbers in table). Interested candidates can also tour the District's infrastructure if desired.

On behalf of the Board of Directors,

Robert Deinhammer
