

CHAMPIONS CENTER

4122 LAYBOURNE RD SPRINGFIELD OH 45505 | 937-324-4353

After many discussions about the outbreak of Coronavirus, the Champions Center has decided to release the following statement.

Due to the Director's Order from the Ohio Department of Health, we have determined that the best course of action for exhibitors and staff at the Champions Center, as well as our community, is to discontinue hosting events for the next 3 weeks, effective March 16, 2020. We have reached out to and consulted with our local Health Department officials and fully intend to keep communications open with them should the order from the State of Ohio change. We deeply regret that we have had to make this decision. However, we do believe that it is the responsible action to take at this time.

The shows that are unfortunately canceled are:

Buckeye Equestrian Events Open Horse Show March 21-22

Champions Center Open Horse Show March 28-29

The Blue Ribbon Classic Saddlebred Show April 3-5

The show managers/producers have been contacted and are aware of the situation. Should you have any questions, please contact the show manager for your specific event directly and not the Champions Center.

We appreciate your cooperation during this very stressful time for everyone involved.

Thank you
