Commanders Message

Greetings to all of my Legionnaire friends and families: I am once again the Commander for another year. With everything going on in the world (and especially the U.S.) it proves to be a very interesting year. I hope that everyone is being safe to their individual satisfaction.

You will need to read Lisa's calendar closely for all the updates and re-scheduling of everything that is happening at the Legion. We are trying to provide our services and activities to all of our members and customers as safely as possible. Please bear with us.

One change that is coming up is our traditional 4th of July ceremonies. The City of Stewartville is doing their best to provide you with some entertainment. It will be nothing like the years past. We will be having a parade at 10 AM on the 4th, starting at the Legion. It will consist of only 10 -12 units with the sheriff's car leading and then the Veteran's with the flags in vehicles next in line and honoring all the front line workers during this covid crises. Legion members need to be at the Legion at 9:00 AM to prepare for the parade. We will have to have vehicles for the members so I will need to know how many volunteers will be in the parade. No marching and no firing of rifles and no candy to be thrown out for the children. Call me at: Roger Peterson 507-251-6306 for more info.

We are still planning on having a golf tournament on August 15th. Thanks to Bill Hurley for stepping up and taking charge of this event. He will have a sign-up sheet on the Legion bulletin board. We will have a committee meeting to discuss this event. Would like to have a few more volunteers to plan and make this happen.

If you are wondering what all the dirt work is about on the South end of Stewartville, it is the beginning work on the Stewartville Veteran's Memorial Park. It will be a work in progress for the next couple of years as we are able to raise funds. We do have a \$50,000.00 matching fund to capitalize on by the end of the year. If you are so inclined to donate please call: Roger Barsness, 507-250-1265, Thank You!

With all that said, I hope to see you at our next meetings which are scheduled on Lisa's calendar. We are going to have a great year regardless of World events.

Your new Commander; Roger Peterson

Auxiliary President Message

Happy 4th of July or Independence Day! We continue to have that independence because of our Veterans past and present! Celebrate your patriotism, enjoy the day with family and friends! Remember to do so in a healthy and safe way! How things have changed from a year ago! The Auxiliary has not been able to meet since March, needless to say business not as usual, for the remainder of our year. We are looking forward to a better 2020-2021 year for the Auxiliary and our members.

Our Officers have been asked to stay in place for the coming 2020-2021 year:

President-Wanda Prescher

First-Vice-Peggy Paulson

Second-Vice-Audrey Farnsworth

Secretary-Diane Ramaker

Treasurer and Membership-Audrey Farnsworth

Chaplain and Sgt. at Arms-Theresa Santema

I want to thank our Officers, Committee Chairs and Members for making 2019-2020 a great year for our Ladies Auxiliary! **WE CAN'T DO IT WITHOUT ALL OF YOU!!**

Thank you to those members who have faithfully supported our efforts this past year, whether monetarily or volunteering! We appreciate your continued dedication to

YOUR Auxiliary!

THANK YOU!!

Department and National Conventions for 2020 have been cancelled.

NO MEETINGS: July and August

Remember our Veterans and those serving as we celebrate our Independence Day!

Thank a Veteran, when you see he or she during the 4th of July!

Wanda Prescher-President

Lisa's Fun Facts

- Lizards can self-amputate their tails for protection. It will grow back after a few months. (If in doubt ask Gordy!)
- Tigers have striped skin, not just striped fur.
- The Stewie Cruiser car shows have started! Come on down to the Legion when we host the car show. We always have ice cold beer or pop and delicious food cooking on the grill.
- Rhinoceros horn is made of compacted hair.
- Donkeys kill more people than plane crashes.
