

**Prattville Service League
Post Office Box 681595
Prattville, AL 36068**

Dear Autauga County Organization,

We would like to thank YOU for the work you do in Autauga County! The Prattville Service League is currently looking to support your organization, either financially or with "hands on" volunteers during the fiscal year 2019.

The League is a non-profit service organization, volunteering approximately 2,500 hours of service each year to the Prattville/Autauga County area. This past year we donated more than \$10,000 to groups such as the Autauga County School system, The Family Support Center, and The Autauga County Sherriff's Department.

You are probably familiar with our fundraising projects such as the Annual Labor Day BBQ, Drawdown, and Golf Tournament. The funds we raise at these events are returned to our community through donations to organizations like yours. However, when we are not raising money we also like to keep our hands busy by jumping in where we are needed as volunteers. So, please take a moment to think about how we can best help your organization and let us hear from you!

GRANT RECIPIENTS:

This money will be dispersed from funds raised through our fundraisers to various recipients.

Note: Grant funds must be used in Autauga County. If you receive a grant, you must supply documentation describing how your grant was used in order to be considered again the following year.

SERVICE HOURS RECIPIENTS:

This will be "hands on" volunteer projects to help you through the fiscal year 2018. Projects must benefit Autauga County.

Enclosed you will find the necessary applications to complete if you are interested in becoming a beneficiary of the Prattville Service League. All applications must be received by **November 15, 2018** in order to be considered. Beneficiaries will be notified in early 2018. Please send questions regarding grants to: samlynn51@yahoo.com and put "PSL Grants 2018" in the subject line.

Sincerely,

Samantha Bowen
PSL President
