

Northwest Suburban Integration School District presents its annual

# EDUCATORS RISING SHADOW DAY

February 8 and 22, 2017

7:30 A.M. - 1:30 P.M.

**Could you use an extra pair of hands to help you with tutoring a student, marking papers, designing a bulletin board or working on other education related activities?**

**HELP IS ON THE WAY...**

**Educators Rising students are bright, responsible and eager to gain hands on experience in the field of education.**

**At the Elementary level:** Students can read books to younger students, help with in-class assignments, work with small groups, participate in music, physical education, art projects, or tutoring.

**At the middle school level:** Students can work with small groups, assist teachers in reviewing assignments, participate in music, science and art projects, and conduct a small portion of the classroom lecture!

**EDUCATORS** - If you are interested in having one or more of these eager students assist you for a day OR

**STUDENTS** - If you would enjoy gaining some hands on experience as a teacher, administrator, counselor, social worker, psychologist, etc., please contact the Educators Rising advisor at your high school or call J. Ayenna Davis at 763.450.1331.
