

IPMS NATIONALS 2018

GREX 50% OFF AIRBRUSH PAINTING WORKSHOP

ADVANCED MODEL AIRCRAFT PAINTING MADE EASY

Does airbrushing intimidate you?
Want to advance your airbrushing skills?

Learn with the best, using your choice of a Grex Tritium pistol grip or Genesis traditional style airbrush.

If you have never used an airbrush but want to learn or you already have an airbrush and want to advance your skills, then join us for a thorough step-by-step workshop. We'll start from the basics, but you'll be airbrushing like a pro in no time.

This is roughly a **4 hour** hands-on workshop where you'll be airbrushing on a real model aircraft that you get to keep.

All necessary supplies and equipment will be provided.

WORKSHOP AGENDA

- Basic airbrush nomenclature
- Airbrush assembly & disassembly
- Proper airbrush cleaning
- Paint thinning
- Pre-shading
- Post tinting
- Advanced masking technique
- WWII Camouflage

Workshop Fee: ~~\$100~~ \$50
