

## Areas/Start Venues

Each venue will be detailed 1 month before the event on [www.minimountainmarathon.co.uk](http://www.minimountainmarathon.co.uk) look out for yellow & black directional signs on the day of the event. Please contact us BEFORE the day of the event if in doubt as to the location. NB some of the parking may be P&D.

## Maps

A waterproof, full colour 1:25000 or 1:30000 map section, pre-marked with all controls, will be provided on the start line. One map per runner is included in the entry fee; extra maps available @ £2 each. An area Master Map can be viewed pre-start.

## The Challenge

Visit as many control sites (each having a varying points value) as possible within 4 hours - route planning is as important as fitness. There are penalty points if you are back late! Mountain/fell navigation skills are required, these events are mainly aimed at fell runners & orienteers, but they are also suitable for strong walkers. Control sites will be identified by red & white orienteering "kites" on a feature to which a SPORTident box will be attached. "Dib" in the SPORTident boxes at the start, finish, all controls visited & in the download box at the end. You must use a SPORTident dibber to compete. **You may use your own dibber if you have one (please fill in its number on the entry form) alternatively we will rent you one automatically.** Teams please note: both members must carry & use a dibber.

**\*\*IMPORTANT: these events are only possible with permission of the landowners. If any land is marked out of bounds on the map please do not cross. if any land is fenced off, do not climb these fences or walls & only use authorised crossing points as marked on the map. ANYBODY ABUSING THIS RULE WILL BE DISQUALIFIED & BANNED FROM EVENTS.**

## The Start/Finish

Registration opens at 7.30am. Start anytime between 08.15 & 10.00am. Try to arrive at registration at least 30 minutes before you intend to run. At the start line you will be handed a map and a control description/value sheet. Courses close at 15.00hrs. Lunch and hot/cold drinks will be available to finishers. \*\*\*\*The Golden Rule - if you are unable to complete the event you MUST (a) let the organisers know either in person or telephone & (b) return your SI dibber to the organisers. If you do not, you will be held responsible if the mountain rescue team is called out to search for you. Emergency telephone numbers will be provided on the start line on your map and with your control descriptions.\*\*\*\*\*

## Entry & Results

NO FINAL DETAILS WILL BE SENT OUT. If you wish to have confirmation of entry either enter on-line at [www.minimountainmarathon.co.uk](http://www.minimountainmarathon.co.uk) or please enclose an sae with your postal entry (postal address as below). ## Equipment

PLEASE DO NOT SKIMP ON EQUIPMENT - IT IS NOT WORTH IT!! Event marshals will not let you start or disqualify anyone who does not meet the equipment criteria.

**Weather conditions/postponements/entry fees:** in the event of inclement weather (particularly the chance of snow/ice etc) we will do our utmost to run the events but safety will not be compromised under any circumstances. If necessary in order to run the event we may use a shorter, lower level course. Should we have to postpone an event all entries and fees will be transferred to a re-scheduled date; if you cannot make this date then entry fees will be held over as a credit towards future Mini Mountain Marathons OR refunds will be given less a 25% admin fee (to cover our ongoing event costs). We don't provide refunds for any other circumstances.

**Prizes/Class Awards:** There are prizes for the first 3 finishers in each class at the end of the series. We have great prizes from our sponsor Kong Adventure. Class placings will be based on a minimum of three events completed as either a solo or as a team but not as a combination of both. The best 3 events completed will count towards the class placings. Prizes will be posted out after the results are declared final. NB classes will be merged if entries are low.

**Tie breaks:** In the event of two competitors in the same class gaining the same score the following tie break rules will decide the winner: (1) Lowest cumulative time for the best 3 events completed (2) the competitor(s) who has/have visited the most checkpoints (3) the competitor(s) visiting the greatest number of high scoring controls (the greatest and second greatest value controls for each of the best 3 events completed)

**FRA rule for younger runners:** "for paired Mountain Marathon style orienteering events, over one or two days, where one of the two runners is under 18, the other runner must be over 20 and must also be the parent or guardian of the junior runner. The minimum age for the junior runner is 14 and the following straight line distance limits must apply for the event. Under 16 - 20km, Under 18 - 25km" It is the parent or guardian's responsibility to ensure that this rule is adhered to.
