GUIDELINES FOR LEAVING ITEMS IN BARN FOR RUMMAGE SALES

First, the Ladies' Club thanks you for your donations. Money received from the 2 Rummage Sales we hold during the winter season is used to help the Sun Valley Village General Fund to pay for various projects that improve our park. However, the following guidelines must be followed to insure that we have successful sales and to aid in the set-up of these sales.

THERE WILL BE NO SALES BETWEEN APRIL 1 and NOV 1. After NOV 1, if you wish to purchase an item that has been donated, please contact the Vice President of the Ladies' Club to assist you. Also, we are not a swap meet. Example: if you donate a lamp and find one in the barn that is better, it is not allowable to just swap the items.

PLEASE PLACE DONATED ITEMS ON THE TABLES UNDER THE PLASTIC SHEETS. Plastic sheets are provided to cover the items that are on the tables throughout the summer to prevent dust and animal droppings from collecting on the items donated. Large items such as furniture should be placed on the pallets in the middle of the barn to prevent water damage should we have heavy rains. Water does seep onto the barn floor.

ALL ITEMS DONATED MUST BE CLEAN AND WORKABLE. We are not a dump site for items that are not useable. Electronic items need a small sign taped to the item that says it works. All old-style TV's are not acceptable. You may dispose of these by taking them to the recycle center. They are not a saleable item.

PLEASE DO NOT BRING ANY CLOTHING OR LINENS TO THE BARN UNTIL THE WEEK OF THE SALE. They get moldy and musty from the humidity in the barn. Please keep them at your home in a back bedroom or closet until then. Also, they need to be clean and wearable.

PLEASE DO NOT LEAVE ANY ITEMS ON THE FLOOR BETWEEN THE TABLES. Full access must be available to all surfaces of the tables. Again, items must be in good working order and clean and placed under the provided plastic.

The Ladies' Club would like to thank you for your cooperation in this matter.
