Dear Sir or Madam:

The Southern Illinois Crappie Association, Inc. is an Illinois Non-Profit Corporation that sponsors crappie fishing tournaments throughout Southern Illinois. The goal of SICA is to promote tourism in Southern Illinois as well as encourage participation in our tournaments. To further this goal SICA sponsored a national tournament on the Smithland Pool of the Ohio River on October 23, 2004 and again on October 21, 2006.

In order to attract fisherman from throughout Illinois and Missouri, it is imperative that our cash prize is large enough to draw fisherman to the tournaments.

To generate the funds necessary to provide a quality tournament, the SICA, Inc. is soliciting sponsorships from businesses, individuals and organizations. The sponsorship levels and sponsor recognitions are set out below.
