“Her passion and her willingness to put the time and effort in will definitely show. It has been a pleasure working with her and getting to know her. I wish her the best and look forward to seeing her hopes and dreams come true.” **Ingrid Hogue** - Grace Kids Sight Coordinator

“Thank you isn’t nearly enough, but it does sum it up nicely. To all the donors and foundation participants, thanks for impacting a number of future lives, with the impact to mine. I hope to teach generations to believe in themselves and their achievements, while instilling in them a drive to go after their own success. It’s a feeling that can’t be replicated, or even remotely expressed. Thank you so much.”
